

statement of cost of material necessary for the extension of the main building as per plan, and stating that you would like to purchase the material without delay, and that to do so with advantage it will be necessary to pay one half when the material is shipped.

I beg to remind you that, as has already been intimated to you, the amount voted by Parliament for the erection of the new school room, Bath and Recreation room was \$700⁰⁰¢. Of this amount you have already received \$200⁰⁰¢ on account, and I will send to Mr. Agent Gordon, Strathroy, an accountable cheque in his favor for the sum of \$500⁰⁰¢. The amount granted by Parliament for this purpose must not be exceeded
