REPORT OF CONSERVATIVE MEETING AT  
ENTERPRISE SEPTEMBER 10th, 1934.  
-----

W.R. AYLESWORTH CANDIDATE spoke very briefly.

HOWARD KELLY, President, Liberal-Conservative Assn., Kingston:-

One reason why Mr. Aylesworth should have the support of the County is that he is native son and I am quite confident when the time comes, you will choose Mr. Aylesworth

We have seen economic and financial structures crumble throughout these five years. We have world trade with other countries, but we are ahead of them all. We are riding on the crest of the wave, steadily climbing up all the time. What is the reason for that? There is no Liberal that will not admit that with the knowledge of Right Honourable R.B. Bennett, that is why Canada stands in the position she is today.

Our Government has been inspired by the fact of the Mother Land, where they have weathered the storm. She has sought shelter, as well as other nations of the Commonwealth, and that is the reason we are in the position we are today. We have all seen hard times. We have all taken lower prices, but we are still carrying on. We are gaining steadily.

Every man and woman here tonight knows that we are gradually going upwards; that is what I say. So work hard and elect your man, and show support in the splendid Government we now have.

W.M. NICKLE K.C.

Mr. Chairman, Ladies and Gentlemen:-

It is a great pleasure and privilege for me to be here tonight for two reasons. The first is to publicly express my confidence in the Liberal Conservative standard bearer in this bye-election, and secondly:- to ~~xxxxxxx~~ associate myself with the Honourable Mr. Stevens.

I am not unmindful of the fact that we are fathered here, perhaps for a certain amount of sentiment. This was caused as a result of the unfortunate death of the Honourable Dr. Spankie.

In my judgement, this is not an election between Mr. Campbell and Mr. <sup>Aylesworth</sup> ~~Spankie~~, but an election between the Liberal and Conservative policies.
