

APPENDIX No. 17.

A description of the several contracts entered into—with the rates and prices—for the supply of materials and execution of work on the Canadian Pacific Railway, since March, 1879, to the present time. A description of the contracts previously entered into, will be found in the Reports of February, 1877, pages 383 to 396, and of April, 1879, pages 126 to 136.
