# GABRIEL CONROY.

BY

BRET HARTE.

---

"'Gabriel Conroy' is writted in the author's most original vein, and altogether the story has proved to be one of Bret Harte's MASTERPIECES."—*Kendal Mercury*.

"Bret Harte's novel introduces many truly fine descriptive passages and heart-thrilling incidents. The writer's vivid power as a poet has long been recognized, not only in America, but in this country, and 'Gabriel Conroy' will, we venture to think, add greatly to his fame, and to a large extent increase the number of his admirers."—*Ipswich Chronicle*.

\* \* "It is a serial that will make every new member of *Scribner's* eagerly sought for."—*Boston Post*.

\* \* "We have found at last *the* American novel."—*Canadian Illustrated News*.

\* \* "The second instalment is even stranger than the first, justifying all that was looked for."—*Louisville Courier-Journal*.
