"NIL DESPERANDUM."—If you suffer from any chronic or obstinate form of disease, never despair of a cure until you have tried Burdock Blood Bitters. If that marvellous remedy fails, hope indeed will be feeble; still, while there is life and Burdock Blood Bitters there is hope. It is easily tested. Just ask your druggist for a sample bottle, it will only cost you ten cents, or a full sized bottle for one dollar.

THERE is something sublime in calm endurance.

SAD CASE.—The girl who was locked in her lover's arms for three hours, explains that it wasn't her fault. She claims he forgot the combination.

AGUE and all malarial and biliary complaints are most promptly cured by the great blood cleansing, liver regulating tonic, Burdock Blood Bitters. It acts on the bowels, liver, kidneys and blood. Trial bottle 10c.

In time of prosperity friends will be plenty;
In time of adversity not one in twenty.

WHY suffer from Indigestion and Dyspepsia when Burdock Blood Bitters will positively cure these ailments? A trial bottle only costs 10c.

A CHIROPODIST might have his sign: See the corn-curing hero comes.

CURE THAT COUGH.—You can do it easily, speedily and effectually if taken in time, and the remedy is safe and pleasant. Hagar's Pectoral Balsam is the best cough-mixture in the market.

THE CYCLE OF LIFE.—Baby, girl, woman, wife, baby.—Sometimes it's baby, girl, woman, old maid, poodle dog.

TO PRESERVE EGGS.—One pint salt, two pints fresh lime, three gallons water. Mix well, and put in the eggs without cracking the shell; they must be kept covered with the brine.

EVEN if a man has two lawns he generally wants a lawn mower.

WE are informed that a man's body is three fourths composed of water, but it is hard to believe this while looking at the noses of some of our public officials.

THERE is a great deal of religion in this world that is like a life-preserver—only put on at the moment of immediate danger, and then put on half the time hind side before.

ACCIDENTS are liable to occur at any moment, and a prompt remedy should ever be kept at hand. Such a remedy is Hagar's Yellow Oil. For Wounds, Burns, Bruises, and Sores, nothing can surpass it; for Frost Bites, Chills, and the poison of insects etc., it is a positive cure.
