MORISON'S UNIVERSAL MEDICINE.

NOTICE.

THE subscribers, general Agents for Morison's
 Pills, have appointed **WILLIAM WHITEHEAD,**
 Sub-Agent for the Upper Town, No. 27 St. John
 Street.

LEGGE & Co.

That the public may be able to form some idea of
 Morison's Pills by their great consumption, the fol-
 lowing calculation was made by Mr. WING, Clerk
 to the Stamp Office, Somerset House, in a period
 of six years, (part only of the time that Morison's
 Pills have been before the public,) the number of
 stamps delivered for that medicine amounted to three
 million, nine hundred, and one thousand.
 The object in placing the foregoing before the
 public is to deduce therefrom the following power
 argument in favour of Mr. Morison's system and
 to which the public attention is directed, namely,
 that it was only by trying an innocuous purgative
 medicine to such an extent that the truth of the
 Hygeian system could possibly have been establish-
 ed. It is clear that all the medical men in England,
 or the world, put together, have not tried a system
 of vegetable purgation to the extent and in manner
 prescribed by the Hygeia. How, therefore, can
 they (much less individually) know any thing about
 the extent of its properties.
