

PEDLAR'S PERFECT PRODUCTS

The modern farmer is a model farmer—that's why he uses PEDLAR'S PERFECT PRODUCTS, made of sheet metal, on his house, his barn, his silo, his garage, even the corrugated culvert under his road.

Over fifty years of "keeping everlastingly at it," has brought success. Your interests are safe in our hands, **WE KNOW** the sheet metal business.

The celebrated "George" and "Oshawa" Shingles, are used on the Farm Buildings of Canada. You'll see them everywhere and find that they are giving service and satisfaction too.

PEDLAR'S Perfect Roofing, Trough, Pipe, Ventilators and Ornamental work is Standard. Made in endless variety and carried in stock at Oshawa, Montreal, Toronto, London (Ont.), Ottawa and Winnipeg. Address the nearest office.
