histration at Washington Gives Him a Job, But, Contrary to View of German Aide, Refuses to

Washington, D.C., June 22,- A privy councilor of the German empire is holding a job under temporary appointment in the United States Department of Agriculture, in order that he may have something to eat and a place to sleep until the war is over and he can return to his country and his family and his income.

German circles in this capital think it should be the duty and the pleasure of the American government to send this man home in a United States warship, if no other means can be found to insure his entire safety

Dr. Appel the Marconed Man.

The distinguished German official thus compelled to toil in a strange land for his daily bread is Dr. Otto Appel, the foremost world authority on the diseas of the potato. He came here in July upon the invita-SWEAR LUSITANIA WAS ARMED Berlin (by wireless), June 22.—A sworn affidavit was made here before a police magistrate by two sailtion of the United States to be the guest of this Government for three months, during which time he to visit the potato belt of the United States and then to give the Department of Agriculture the benefit of the Lusitania carried guns. The affidavit was made to support the declaration of Gustave Stahl, who is report on the best means to eradicate that which ails the American potato.

When Dr. Appel's time was up and he was ready o go home the war was in full progress. The belligerents would not guarantee him safe conduct.

Alleged Discourtesy Denounced.

Being purely a matter of international courtesy be ween friendly nations, neither the German ambassador nor the German government appears to have felt free to "call" the loan of Dr. Appel. So they have said nothing. Nor will Dr. Appel say anything. But in the German circle the case is the subject of
