BUSINESS IS BUSINESS

THE Western farmer wants a ready cash home
 market for his product. Then he should pat-
 ronize the home manufacturer, whose employees
 consume what the farmer produces, and are able to
 pay cash. Now, Mr. Farmer, "You scratch our
 back, we scratch yours." Let every farmer in Mani-
 toba buy
**Hutchings' Harness, Saddles,
 Trunks, Valises, etc., etc.,**
 and take no other, as they are all home-manufac-
 tured and of the very best material—No. 1 hard every
 time. In return for your patronage we could employ
 300 to 500 hands, who would consume what you pro-
 duce. Come now, business is business. Let us trade
 together and keep our money in circulation at home,
 and benefit each other. Send for catalogue, FREE.
