THIS IS CORPORAL

### Description of Pony and Wagon

"Corporal" The Telegram Pony, is a registered three-year-old standard-bred Shetland, by the celebrated "Don" out of "Pony". Both his sire and dam were imported from the Shetland Islands and have won many prizes in the show ring. Corporal weighs 250 pounds, stands thirty-nine inches high. He is coal-black with a heavy mane and tail. In harness Corporal performs like a Hackney and can step fast for a pony of his inches. Although kind and gentle he has plenty of life; in short, Corporal is as nearly perfect as a pony could be.

With the pony goes wagon, harness, saddle, bridle; all brand new and ordered especially for Corporal. A better or more complete outfit could not be found in the West, for money has not been spared in the purchase of this splendid pony and outfit.

Concrete, because of its cheapness, durability and the readiness with which it can be used for every farm purpose, has proven itself to be cheaper than lumber and far more durable. Our Free Book—

### "What the Farmer Can Do With Concrete"
