The Bowser Red Sentry Pump means Pure Gasolene for the motorist and More Business for the grocer. We've taught the motorist to look for the Red Sentry and we've made a Red Sentry with electric bulb that will show a red light at night and look for the motorist. An automobile is like a wagon load of money rolling along and paying some out to each enterprising merchant. Get yours! We'll show you! A

BOWSER

Outfit in your store means *increased sales* of gasolene and kerosene *accurately measured*; it cuts out the "guess" and keeps in the profit. It keeps your store clean and saves soiling your hands with measure and funnel; it measures gallons, half-gallons, quarts, pints and half-pints, and shows the price; it shows how much to give for "five cents' worth," how much to charge when you "please fill this can." Bowser and Oil Profits go together. Write for booklet "For Your Store." No obligation incurred.
