PRINCE EDWARD CO., CROWDED, FERTILE, KNOWN BY RESIDENTS AS THE "CARDEN OF EDEN"

Hardships of War Seem But a Dream When One is Motoring Through This District of Comfortable Homes and Roomy Barns.

EXPECTED RUIN WHEN BARS WENTUP AGAINST BARLEY, BU I FOUND WEALTH

Farmers Turned Attention to Other Things, Found Them Profitable, and Quickly Were Able to Pay Off Their Mortgages.

From a Staff Correspondent of The Toronto News.

Belleville, Sept. 2 .- War and its ; the Lake Ontario side of the peninhardships, as experienced in Europe, sula. Steamers used to call there appear like a dream after a day spent from Oswego and take the barley motoring through Prince Edward across to the United States. At that Rain has been plentiful time most of the farms were mortga-County. throughout the Island, but the crops ged and the agriculturalists made did not suffer from the heavy wind only a bare living. When the Mcstorms which played such havoc a Kinley tariff was adopted in the Unit- While suffering no paih and fully conlittle farther west. A farmer of the ed States the farmers in this section district, discussing prospects with thought they were ruined. The mar-your correspondent, was most optim- ket for barley was closed to, them.

istic. He predicted that the loss from Ensuing years, however, proved the sulted twenty minutes later .- Times. the rains would not be more than pessimists to have been far out in twenty per cent., and this would be their predictions. The shutting off largely offset by the increased acreage of the market for their barley forced the farmers to turn their attention sown this year.

Prince Edward County is the home in other directions, and today mort- Branch of the Ontario Department of Mindon of many descendants of United Em- gaged farms are few and far between, Agriculture, Toronto.
