

Women Once Invalids

Now in Good Health Through Use of Lydia E. Pinkham's Vegetable Compound. Say it is Household Necessity. Doctor Called it a Miracle.

All women ought to know the wonderful effects of taking Lydia E. Pinkham's Vegetable Compound even on those who seem hopelessly ill. Here are three actual cases:

Harrisburg, Penn.—"When I was single I suffered a great deal from female weakness because my work compelled me to stand all day. I took Lydia E. Pinkham's Vegetable Compound for that and was made stronger by its use. After I was married I took the Compound again for a female trouble and after three months I passed what the doctor called a growth. He said it was a miracle that it came away as one generally goes under the knife to have them removed. I never want to be without your Compound in the house."—Mrs. FRANK KNOBL, 1643 Fulton St., Harrisburg, Penn.

Hardly Able to Move.

Albert Lea, Minn.—"For about a year I had sharp pains across my back and hips and was hardly able to move around the house. My head would ache and I was dizzy and had no appetite. After taking Lydia E. Pinkham's Vegetable Compound and Liver Pills, I am feeling stronger than for years. I have a little boy eight months old and am doing my work all alone. I would not be without your remedies in the house as there are none like them."—Mrs. F. E. Yost, 611 Water St., Albert Lea, Minn.

Three Doctors Gave Her Up.

Pittsburg, Penn.—"Your medicine has helped me wonderfully. When I was a girl 18 years old I was always sickly and delicate and suffered from irregularities. Three doctors gave me up and said I would go into consumption. I took Lydia E. Pinkham's Vegetable Compound and with the third bottle began to feel better. I soon became regular and I got strong and shortly after I was married. Now I have two nice stout healthy children and am able to work hard every day."—Mrs. CLEMENTINA DUEBING, 34 Gardner St., Troy Hill, Pittsburg, Penn.

All women are invited to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special advice—it will be confidential.

GUARD BABY'S HEALTH IN THE SUMMER.

The summer months are the most dangerous to children. The complaints of that season, which are cholera, infantum, colic, diarrhoea and dysentery, come on so quickly that often a little one is beyond aid before the mother realizes he is ill. The mother must be on her guard to prevent these troubles, or if they do come on suddenly to cure them. No other medicine is of such aid to mothers during hot weather as is Baby's Own Tablets. They regulate the stomach and bowels and are absolutely safe. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

FORD WOULD BUILD LIGHT RAILROAD CAR.

Detroit, Sep. 15.—Henry Ford has issued a challenge to the railroad world. He has told it that his cars "are built of poor materials, overweight and overload themselves, waste power in being hauled around the country, add to the expense, tear themselves and the road to pieces early and become candidates for the junk heap." Mr. Ford is ready, he says, to build a car for demonstrating purposes to show that a lighter, stronger car and one far more economical is practicable. This offer is made by Mr. Ford to the Government.

COULDN'T BE BOUGHT.

A Chatham liquor seller wrote to the Kingsville Reporter, asking for advertising rates. The liquor seller wanted to do as much business as possible before September 16th, and he wrote to ask for advertising positions and prices for the help which he was willing to pay the Reporter to give him.

The reply of the Editor of the Kingsville Reporter is an interesting document and runs as follows:—
Kingsville, Ont., June 30, 1916.
Mr. F. A. Robert,

Dear Sir,—Replying to yours of yesterday, beg to say you have not enough money to buy one inch of space in the Kingsville Reporter to advertise intoxicants. The former proprietor of this paper would no doubt have taken your ad. when he owned the paper; but he lies back of the Church of England here, in a "catholic" grave as a result of whiskey. I am sorry you are not dealing in goods I can conscientiously advertise.

Yours truly,
W. H. HELLEMS.

TOLD TO RAISE CONTRACT PRICE

Hon. "Bob" Advised Contractor to Get More Money—How the Trail Leads to Headquarters

Winnipeg, Sept. 12.—W. H. Carter of this city, contractor, of the firm of Carter, Halls, Aldinger, Limited, before the Royal Commission investigating the construction of the Agricultural College today told how, after he had begun work on the power house contract at a price of \$60,223, he was called up on the telephone by Hon. Robert Rogers, then Minister of Public Works for Manitoba, and now Minister of Public Works for the Dominion, who suggested that the contract price was low, and told Carter that he thought the Government could help him out. The result of the telephone conversation, Carter testified, was that an amount was named, and that a new and amended contract was entered into. The new contract was for \$68,829. This meant a clear profit of \$8,700 for Carter.

Got \$1,200 of it For Himself.

But Carter next told of being approached by D. E. Sprague, a prominent Winnipeg Conservative and being asked for a contribution to the campaign fund of Alex. Hargart the Conservative nominee in the Federal election of 1911. Carter said that the telephone conversation with Rogers had been between August 16 and August 28, 1911, and that he contributed \$5,000 to the Dominion election fund on September 18 following, and \$2,500 on September 20, the day before the election.

Paid \$15,000 to Campaign Fund.

Mr. Carter also told Hugh Phillips K.C., the Provincial Government counsel before the Commission, that he had also paid all told \$15,000 to the Provincial campaign fund. This had been in three equal amounts of \$5,000 each. The first was on July 9, 1913, the next on November 6, 1913, and the last on March 13, 1914. He said he had paid over the amounts at the request of Dr. R. M. Simpson, the Treasurer of the Conservative party funds.

Asked by Mr. Phillips why he had paid over such sums as \$5,000 at the request of Dr. Simpson, the witness said that it had been for the same reason that he had paid over the money to Dan Sprague.

Sprague Corroborates Carter.

Mr. Carter was asked to stand aside by Mr. Phillips, and D. E. Sprague was called. He admitted that he got the \$5,000 and the \$2,500 from Carter, but said that he had approached other men for contributions. "Just the same as I approached A. M. Naughton, G. F. Galt, E. F. Hutchings and lots of other men," Mr. Sprague who appeared in the uniform of a Captain of the Canadian army, said he could not remember many of the details of his visits to Carter for campaign contributions. He thought Carter's contribution a liberal one, and he had handed over the money to the Election Committee. Members of a Committee were W. J. Boyd, W. J. Buiman, G. V. Hastings and W. J. Christie.

Know Vouchers Were Not True.

Captain Sprague admitted that he knew the vouchers accompanying the cheques from the Carter firm purporting that they were payments on building contracts were not true. He knew they were campaign contributions. He also admitted that he knew Carter had Government contracts.

The others were not seriously hurt. He leaves a widow and child.—Bowmanville Statesman.

W. HUTCHESON WELCOMED HOME

Soldier of the Great War on Furlough Given Reception—Has Seven Scars.

Sergeant Walter Hutcheson who has seen every battle on the Canadian front in Belgium and France since February 1915, is again home among friends in Belleville. Arriving yesterday afternoon at three o'clock he was met by his friends and taken to his home on Foster Avenue. In the evening a demonstration was held in his honor. The 15th Band, the machine gun section of the 155th, the fire brigade, automobiles and citizens on foot started from the Armouries at seven thirty and went to the Hutcheson residence where the hero was invited to a seat in a car. The parade then started led off by Mayor Ketcheson, the route lay through the streets of East Belleville down Victoria Avenue along Front and Bridge Streets. While the band played patriotic music, the thousands of citizens who thronged the streets cheered the young veteran.

Arriving at the home of Sgt. Hutcheson, Mayor Ketcheson stepped to the front and in a few patriotic words full of enthusiasm and inspiration welcomed the sergeant and urged the young men to assume the like responsibility to that which the returned soldier had borne.

Sgt. Hutcheson heartily thanked the citizens for the cordiality of the reception and expressed his delight at again being among friends in Belleville.

The returned soldier is home on six weeks' furlough. He went overseas with the second battalion C.E.F., and while continuously at the front, escaped scot free until June of this year when he was wounded just after the battle of Zillebeke. No severe engagement was going on at the time only a rifle grenade was thrown into the trench and exploded, seven pieces entering the sergeant's body, two in each leg, one in each arm, and one in the left foot. He was picked up and carried by Thomas Vance, a Belleville boy who has since paid the great price.

He is looking well, weighing now one hundred and fifty pounds. When he left Belleville, Sgt. Hutcheson weighed 130 pounds, but gained weight at Salisbury Plain until he touched the beam at 136 pounds. He has nothing but words of praise for the commissariat, the food that the soldiers receive being excellent.

Sergeant Hutcheson since leaving Belleville has always stuck with the local boys, although very few of the original second battalion men from this city are now with their unit.

DIED.

KETCHESON.—In Belleville on Wednesday Sept. 13th, James Edward Ketcheson, aged 69 years.

DEATH OF MAJOR CASEY

Belleville Boy Who Rose From Ranks in Vancouver Battalion Killed on Sept. 8

Major William Archer Casey, a former Belleville boy, officially reported to have been killed in action on September 8th, went with a Vancouver unit in the first contingent. He had enlisted as a private and was promoted Sergeant at Valcartier. He was first wounded in the spring of 1915 and on his recovery was promoted to a commissioned rank. His second promotion which was to the rank of captain came last March and he received his majority less than a month ago. He was three times wounded.

He was about thirty years of age and was educated in the Queen Victoria School, Belleville High School and in Upper Canada College, Toronto. He entered the service of the Grand Trunk Pacific as an engineer and had in his charge the laying out and construction of the G.T.P. about Prince Rupert. He was one of the pioneers and the first city engineer of that place. He has one brother, who is now at the front in the same battalion. He was a brother-in-law of Capt. Wallace Reid, also at the front and a nephew of Brigadier General Biggar, of the C.A.S.C. Mrs. B. B. Carter, 52 Prince Arthur Ave., Toronto and Miss Jean Casey, who has been a visitor to Belleville are sisters. Mrs. R. A. Bull, 265 Charles street is an aunt of the deceased soldier.

ADDRESS BY CAPT. O'FLYNN.

At the celebration of the "Fourth Degree" at the meeting of Eureka Lodge A. F. & A. M. last night, the members had the pleasure of listening to a most interesting but all too brief address by Capt. O'Flynn, recently returned from the war. Capt. O'Flynn spoke in response to the toast, ably proposed by his father R. W. Bro. F. E. O'Flynn, "The Army of Great Britain." The speaker, however, chose to speak of the part taken by Masons in the war and gave instances showing the power and influence for good, amidst the scenes of war, of this great international fraternity. The captain closed with a brief but stirring appeal to the young men to join the colors.

W. Bro. Lucius Allen presided as toast-master, taking the place of W. Bro. H. W. Ackerman, at present on a tour to Detroit.

Capt. O'Flynn was accorded an ovation both before and after his impressive address.

BIG STORM AT NEWCASTLE.

Friday's big tornado of rain and wind played havoc at Squire Lovelock's near Newcastle. The Independent says: At Killoolman farm the storm would almost appear to have reached its climax, as there the silo was wrecked, a barn unroofed, a lofty spruce tree on the lawn in front of the residence unroofed, and Mr. Lovelock estimates that fully \$1,000 worth of apples were blown down in his large young orchard. Mr. Goldsmith's silo on the Simpson farm was also demolished, and nearly all the corn crop was levelled to the ground.
