

St. L' Forest is the best Medical School! That graduation which gives the human frame the highest degree of vigour and durability, is derived from a disordered state of the System, caused by Impure Blood, Bileous and Altered conditions of the Stomach and Bowels.

DR. HALSTED'S GUM-COATED FOREST PILLS.

(A therapeutic preparation of Uncoated pills.)
These Pills are prepared from the best Extracts, combined with other ingredients, to give the highest Medical virtues. They are warranted against all Complaints of the Stomach, whatever they may be, without giving any pain or uneasiness; and can be taken at any time without fear of taking cold. They are also of great service in the cure of Diseases of the Skin. They are five times more agreeable than the common Forest Pills in taste. But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already adopted their good effects. And since then, over 100,000 boxes of these pills have been sent to every part of the world, and have met with universal success.

TO FATHERS OF FAMILIES.
Bills and debts of the members increase, there sickness and death in families than all other causes of disease put together. In the latter part of life, however, when the mind is no longer active, it is power from the body, arising from stagnation and decay, and from the want of exercise and decent repose, while families are taken down by Malaria, Fever, Pestilence, and other dangerous disorders, all produced by the want of proper exercise. No parent can be so anxious to know the great danger of such infirmities—no parent would be guilty of causing them.

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of parental attendants to the early symptoms of disease. When a physician is called from town, arising from stagnation and decay, and from the want of exercise and decent repose, while families are taken down by Malaria, Fever, Pestilence, and other dangerous disorders, all produced by the want of proper exercise. No parent can be so anxious to know the great danger of such infirmities—no parent would be guilty of causing them.
