

OBITUARY.

JOHN A. BORDEN

The death of John A. Borden took place at his residence Canard on Friday Aug. 9th., after an illness of about 20 months. He was 49 years of age. The funeral service was held on Sunday afternoon and was very largely attended. The service was conducted by Rev. A. J. Prosser.

Mr. Borden had spent but a few weeks short of half a century at Canard and was beloved by many and most highly esteemed by all. As a boy he was trained both as a carpenter and a farmer, and he did both well. In the home he filled a place which few men excel and in the community his loss is severely felt. As a member of the Sons of Temperance and Sunday School he had filled all the leading offices and in the Baptist Church he had been treasurer for six years, and an honored deacon for four years. No good work was undertaken that did not have his energetic co-operation and kindly assistance.

Mr. Borden leaves a widow Mabel Eaton, daughter of Mrs. Levi Eaton and the following children: Jean, Levi, Beatrice, Elma and Horace.

Lieut. Col. Bauld Will Command Contingent For Siberia.

Lieut. Colonel Stanley Bauld now second in command at Camp Aldershot has been selected to recruit and command the Nova Scotia Contingent to be sent to Siberia. He will commence his recruiting at once. His recruits will be voluntary first preference being given to returned soldiers who will again be fit for Military Duty and other men who are not in Class one already called for Military Duty. Should the necessary men not be obtained among these, then draftees will be given an opportunity to enlist under him.

Lieut. Col. Bauld is a tried and well proven officer and his appointment to this position will be commended. He is a son of Mr. Henry Bauld, M. P. P., of Halifax, and is well known in local athletic circles, most notably because of his long connection with the Wanderers football team. Shortly after the beginning of the war, he obtained a commission with the 25th Regiment, with which he went Overseas. His promotion was rapid and merited, and he was finally given command of the Regiment. He returned to Canada about a year ago. This summer he has been attached to the Nova Scotia Depot Battalion and has made many friends here.

An Age Of Weak Nerves

"No heart for anything" is the cry of thousands of men and women who might be made well by the new red blood Dr. Williams' Pink Pills actually n.a.ke.

Misery day and night is the lot of hosts of men and women who are today the victims of weak nerves. Their pale, drawn faces and dejected, attitude tell a sad tale, for nervous weakness means being tortured by morbid thoughts and unaccountable fits of depression. These sufferers are painfully sensitive and easily agitated by some chance remark. Sleeplessness robs them of energy and strength; their eyes are sunken, their limbs tremble, appetite is poor and memory often fails. This nervous exhaustion is one of the most serious evils affecting men and women of today. The only way to bring back sound, vigorous health is to feed the starved nerves which are clamoring for new, rich, red blood. This new, good blood can be had through the use of Dr. Williams' Pink Pills, which fact accounts for the thousands of cures of nervous diseases brought about by this powerful blood builder and nerve restorer. Through the fair use of this medicine thousands of despondent people have been made bright, active and strong. Dr. Williams' Pink Pills are sold by all dealers in medicine or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

No Food to Waste

The fact that the restriction on the use of bacon and other pork products have been removed for the time being does not mean that food economies are no longer necessary. The facts are that there is not an ounce of food too much in the world and that every man, woman and child is under the sternest necessity of saving whatever he or she can of those foods most needed Overseas. Any temporary relaxation of the restrictions, such as in the case of pork, must not be construed as notice to the public that extravagance in any food is again endurable.

First Aid To Weak Eyes

Glasses, if worn when first needed, will save you a heap of trouble. You may put it off, and put it off, but if your eyes need glasses the sooner you know about it the better it will be for your eyes, and your pocket book as well. That which helps you to accomplish more is an investment—a good investment—not an expense. Your investment here will be according to your requirements, but it will be a profitable investment, and the first cost will be the last cost. We guarantee your satisfaction.
