There are a goodly number of bright interesting children in the Band, and they did themselves great credit by their recitation. Rev. M. P. Freeman was present, by invitation, and gave a brief address. Pastor Williams also spoke encouraging words to the young people enlisted to fight against intemperance.

The Band Concert.

The entertainment given by the band last Friday evening in College Hall was a very enjoyable affair. The attendance while good was not so large as it should have been, but as large as perhaps could be expected at this busy season. The music was exceptionally good and reflected the greatest credit on all taking part; and that it was appreciated by the audience was shown by the applause given each number. While all was so good the concert notes by Prof. Adams elicited perhaps the greatest praise. Mr. Adams is a musician of high culture, and the band under his instruction has made wonderful progress. The music given by them last Friday evening received most favorable comment. Following is the programme of the evening:

PART I. 1. Belphegor March. E. Drepanst. 2. Selection from Stradella. F. G. F. 3. Piano Solo, Tancradi. Rossini. Prof. Adams. 4. Finto Solo. Sergeant Cunningham. 5. Cavatina from Ernani. Miss Fitch, Miss Jones, Prof. Adams, C. H. Borden, H. B. Gillmore. 6. Concertino Solo. Prof. Adams.

PART II. Promenade.—Music by the Wolfville Band assisted by the Band of the 78th Regiment.

Bilious From Childhood. Rev. Benjamin Hills, P. G. W. N. S. writes: "In a word I may say that K. D. C. has helped me more than anything else I have ever used. I had been bilious from childhood; for several years had scarcely passed a week without a severe attack of bilious colic, with intense pain at the back of the head. These attacks usually followed my Sunday work. Since I began to use the K. D. C., I have scarcely had any return of biliousness and the attacks have been very light. I have had greater freedom from suffering since I began the use of K. D. C. than for years past. I believe that the occasional use of a bottle of K. D. C. will keep me comparatively free from the old trouble. I thank you for calling my attention to K. D. C. Had I tried it long ago it might have saved me years of suffering. I am glad to recommend it to follow sufferers."

The Saturday Night, a new weekly to be published at Halifax, will make its appearance about the end of May. It's special field will be the Maritime Provinces, and its endeavors in the interest of Maritime Provincialists. A thoroughly wide awake journal, its departments filled with information on subjects in which every one is interested, its columns open to fair discussion of public affairs, Saturday Night should receive the support and encouragement of the people.
