The death of Mrs. James Simson, which occurred on Wednesday at the home of her daughter, Mrs. J. F. Herbin, town, removed one who had been well known and highly esteemed all her life in this community. Before her mar-riage the deceased was Miss Harriett Rounsfell, daughter of the late John Rounsfell, who resided on the place now consistent, who reacted on the place now occupied by Mr. F. W. Godfrey, at Lower Wolfville. Mrs. Simson was the last surviving member of a family of nine and was 74 years of age. In her girlhood she was for a time a valued teacher on the staff of the Wolfville while school and did excit here always public school and old pupils have pleas ant recollections of her painstaking ef-forts in their behalf. Her married life was spent at Melanson, where as a faith-ful wife and mother she reared and ministered to a large family whose member hold her memory sacred.

For some time past she has resided in Wolfville, her old home, and until re-cently she retained the bright and youthful spirit which made it difficult to real-ize that she had passed the age of three score and ten. About eight months ago she failed in health and has since been confined to her bed. The surviving sons and daughters are Mrs. Herbin, Wolfwille; Mrs. Ross Fullerton, Grand Pre; Mrs. Percy Baltzer, Middleton; John and Fred in Massachusetts; Ralph at Wolfville; and Gordon living at the old ead at Melanson.

The funeral was held yesterday after-noon from the house, the service being conducted by Rev. A. C. Borden. Interment was at Grand Pre cemetery.

The opening game of the Town Baseball League was played on the college campus last Friday evening, before a small number of spectators. The game, which was between the West End and The Hill, resulted in a win for the former by the score of 5 to 3. Although the weather was bad the brand of ball was weather was bad the brand of pair was very good for an opening game. Carl Angus handled the game in his usual capable manner. The band was pre-sent and rendered a number of selections which were much appreciated by both

players and spectators. In the first innings neither side scored. The West End opened the scoring in the second innings, Barteaux and Gill Rand crossing the home plate. Two more runs were added to the West End score in the next innings by Dick and Jost Elderkin, while Russell scored for The Hill. The fourth innings were scoreless. In the fifth Barteaux hit out a home run, making the score 5 to 1 in favor of the West End. The Hill team then settled down and held their opponents scoreless for

the two remaining innings, while they added two to their score, Porter and Baird doing the trick. The teams were as follows:

The teams were as rohows: The Hill-Brown, p; Kinnie, c; Russel, lb; Fraser, 2b; Farris, 3b; Rosa s. s.; Walsh lf; Baird, cf; Porter rf. West End-B. Elderkin, p; J. The second game of the series was played on Monday evening, when the East End were defeated by The Hill by the score of 5 to 0. The game was conspicous for its errors and was too one-sided to be interesting. However, when the boys get some more practice they will no doubt do much better. It seemed to be an off night for the East Enders and we are sure they will make a better showing tonight. Munro pitched a good game striking out eight men, while Brown for The Hill struck out twelve. The game was umpired by J. W. Williams, ind the teams were as foll

It is hoped that more people will turn out tonight to witness the game between the East End and West End. The attendance so far has not been as good as it should be, and the citizens should take more interest in the boys' sports. In last week's paper we made a bad error by stating that the games would be played at 7.30 in the evening. What we should have said was that the games would start at a quarter to seven. Thus far the games have not begun until seven o'clock but it is to be hoped that the players will in future be more prompt, as when the game is late in starting it is pretty dark before the seventh inning is finished. The trophy which THE ACADIAN is offering to the winning team has now arrived and is displayed in our window. If you think it is worth winning, boys, do your best to help your team win.
