29th ANNIVERSARY STOCK-TAKING SALE

COMMENCES THURSDAY, JANUARY 2nd

Brandon's Annual Shopping Harvest --- A MULTITUDE OF EXTRA-ORDINARY BARGAINS...

January 15th brings our financial year to a close, so there are only twelve shopping days from Thursday in which to reduce our stocks. These twelve days will be notable days of economy,--in many instances goods will be sold at less than manufacturers prices, our one aim, to clear fixtures and counters of winter merchandise. Its also a time when the careful housewife replenishes her linen closet and this year the Anniversary Sale offers greater savings than ever, for our purchases have been made from a keener market.

Watch the Windows--Read Our Daily Advertisements--Follow the Red Tickets Through Every Section of This Great Value-Giving Store and Remember the Sale Starts on Thursday, Jan. 2nd at 8.30 a. m.

In the Women's Ready-to-Wear Section the Word Has Gone Forth---Reduce Stocks

And its a certainty that if low prices will do it, our aim will be accomplished. For original prices have been brought down irrespective of profit or loss. Read carefully the following items, its a fair representation of the savings that await you in this department.
