Strength in Summer comes to the man or woman whose daily diet consists of cereals and fruits. Meat and potatoes are a heavy load on the digestive organs. The ideal Summer diet is Shredded Wheat Biscuit, a food that is 100 per cent. whole wheat and prepared in a digestible form. For breakfast with sliced bananas or berries, with milk or cream.

Prohibition Comes Into Effect October First. After that date liquors for individual use can only be imported from a point outside British Columbia, which means an added expense for freight and exoress charges, etc. This contingency can be met for some time ahead by providing yourself with a reasonable stock before prohibition sets in. For this purpose, we are putting up an offer to the public:

Extract from Vancouver Province, Aug. 22, 1917:

LIQUOR PRICES AGAIN ADVANCE

Jump 10 to 12 per cent. and another Increase expect-

ed in a Few Days. Private purchasers of liquor who are holding back in the hope of buying high-class whiskies at slaughter prices just before prohibition comes into effect on October 1st will probably be disappointed. Imported liquors took a 10 to 12 per cent. advance within the past few days and are due for another increase with in the next two or three weeks it was intimated today.
