

Children Cry for Fletcher's

# CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

## What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. LEXINGTON, March 27.—Although no trace of Paul Little, eleven-year old son of E. R. Little, Lexington (capital), kidnapped on Wednesday afternoon and held for ransom understood to be \$25,000 has yet been found it became known that the police are working on the theory that the lad might have been abducted by two men who are known by Mr. Little.

Reports from Louisville today that a man answering the description of the stranger last seen with Paul Little had been seen in that city were discredited by the police, who believe that the boy is being held either in or near Lexington.

Although the parents of the missing lad refuse to make public the notes received on Wednesday night intimating that another note is expected from the captors, within the next 24 hours. It is believed that this note will contain instructions for disposition of the ransom, which the boys parents have expressed willingness to pay if their son is returned safely.

## Tender Toes of American Women

TORTURED WITH CORNS BECAUSE OF HIGH HEELS, BUT SAYS CORNS LIFT OUT.

Style decrees that women wear high heel footwear, which buckles up the toes, producing painful corns, then many women cut at these pests, which is a most dangerous proceeding because one is simply inviting infection or an awful death from lockjaw. For little cost there can be obtained from any pharmacy a harmless drug called Freezone. A quarter ounce of this is sufficient to remove every soft or hard corn or callus from one's feet. A few drops applied directly upon a tender, aching corn relieves the soreness at once, and soon the entire corn, root and all, can be lifted right out without pain.

It is a sticky substance which dries in a moment and shrivels up the corn without inflaming or even irritating the surrounding tissue or skin. Here is a good thing, ladies, so pass it along to your sisters in distress.

## N. Y. Vice Hunt Takes New Turn

NEW YORK, March 27.—New York's vice hunt, being conducted by Assistant District Attorney James F. Smith, took a new turn when Commissioner of Accounts Hirschfeld made public "information" to the effect that Mr. Smith himself had opened a gambling house known as the Civitas club and had told his partner that he would "close up a lot of these poker houses around here and make them come to us."

This "information" according to Hirschfeld, had been obtained from Harry A. Goldwater, Smith's alleged partner, in an investigation conducted in 1918 by the commissioner of accounts into the organization and management of the Civitas club, and resumed today.

Hirschfeld's action followed that of Police Inspector Dominick Henry in making public six affidavits filed with Police Commissioner Enright charging Smith had sought protection for certain disorderly houses and gambling resorts. Henry's district, embracing the "tenderloin" is under fire from the district attorney's office.

### HAMILTON HAS BOOSTED WAGES OF ALL ITS EMPLOYEES

HAMILTON, March 29.—The Board of control has recommended to the city council salary increases for civic employees that would amount to \$57,250 for the year, the increase to take effect after April 1. Laborers are slated for \$5 and 60 cents per hour. Practically every civic employee whose case has been dealt with has been granted an increase of \$100 per year or better, up to City Clerk Kent and City Engineer Gray, who are recommended for \$1,000 increases. The recommendation in regard to firemen is that they be placed on the same pay basis as the members of the police force.

The Winnipeg strike leaders' trial concluded Saturday five being found guilty of seditious conspiracy, one, R. E. Bray, guilty of committing a nuisance, and one, Ald. A. A. Heaps, not guilty on all counts.

Outlook a  
Cause

"At the present moment the outlook for the coming coal year is one for grave anxiety, and for prompt and efficient action to avert subsequent shortages of fuel is provided.

There is only one way of meeting these difficulties for Ontario—immediate action. Do not fall in prices or accumulation of stock, neither will materialize. These are extracts from a report on the coal situation issued last week by H. A. Harrington, Fuel Administrator for the Province of Ontario. Mr. Harrington says in his report that there exists a short supply of coal throughout the Dominion of six million tons. He says, "to make up the shortage is insistent, and when restrictions are removed tomorrow will be for the purchaser not a question of price, but of coal."

Twenty-eight million tons of coal will be required to be transported to the lakes, says Mr. Harrington. He adds that with the removal of the tonnage millions of tons more will be required to tide over the summer months. He says, "is a serious shortage of bituminous coal, though 35,000 tons should be available daily, only 20,000 tons are available."

### Assistant District Attorney Exonerated

NEW YORK, March 31.—The extraordinary grand jury, investigating the conduct of three assistant district attorneys, filed a presentment late Saturday afternoon exonerating Assistant District Attorney James E. Smith. The grand jury reported that the charges of alleged bribery contained in a letter, sent by Mayor Hylan's attorney to the Police Commissioner on March 12, 1919. The grand jury reported that the charges were "unsubstantiated."

"There seems to be a complete breakdown in the case against Rothstein," the grand jury report goes on to say. "The grand jury reported that the charges against Rothstein were 'unsubstantiated.'"
