THE DEIFICATION OF RECTORS.

Bishop Courtney is reported to have said in a recent sermon in Charlottetown: Mr. Gregory said on declaration day "It is not the people's place to watch if

> they should feel that Christ was meeting with them or supping with them. To bishop Courtney's high personal bear unanimous testimony. It is there- pondence fore the more to be regretted that he has taken this extraordinary position. The ordinary mind stands amazed at the presumption manifested in his reported utterance. When a bishop tells the people that they must regard their rector as though he were Christ, we are at a loss to determine what status he would claim for himself. Undoubtedly there is a great deal of senseless and useless criticism upon preaching; but there is likewise a great deal of senseless and useless preaching. The people are expected to receive thankfully from the pulpit a logic and an exhibition of ignorance, which they would not

The Duke and Duchess of Marlborough occupied an upper proscenium box at a performance of "The Maister of Woodbarrow," at the Lyceum theatre the other night. They were the guests of Henry Clews. The Duke began to talk loudly directly after being seated, and the actors and actresses looked up in astonishment at him. In the second act it was apparent that the persons on the stage were becoming disconcerted by the chatter of the banker's party. Finally dozens of persons in the orchestra turned towards the box and hissed in decided disapproval, and it was said that Mr. Sothern would have for stopped the performance on the stage had the talking in the box not stopped.

Representatives of all the big ale breweries in New York and vicinity met HUNGARIAN, at 2 Irving place and raised the price of every grade of ale \$1 a hogs-head. The new prices will go into effect on November 1st. All the brewers agreed to sell no ale for less than \$11 a hogshead net, an advance of \$1 on the cheapest ale made. The brewers say they are driven to make the advance by the Mackinley bill, which raises the duty on Canadian malt from twenty cents to forty-five cents a bushel, the duty on Canadian barley from ten cents to thirty cents, and the duty on foreign hops from eight cents to fifteen a pound. American barley and hops are

used in making the cheaper grades of ale.
The finer qualities of ale which are exeign countries are made from Canadian barley and from hops imported from Bohemia and Bavaria. The retail dealers will not glass, but they may get even by using
