### DR. LEHR, Dentist, 329 Water St.

**RECOGNITION.** The care of the teeth is now recognized as a necessity. In fact the large hospitals all over the world examine the patients' teeth and where it is possible put them in good condition before attempting a surgical operation. Experience has shown that the patient has a better chance for recovery with a clean healthy mouth than without it. This ought to convince the most skeptical that care of the teeth is requisite to health.

### GRACIOUS ECONOMY

The folks who make use of our cleaning and pressing and dyeing facilities are beginning to agree with this sentiment. We take such extreme care of garments entrusted to us and our methods are so strictly sanitary, we feel that we have a right to invite your custom. Phone 1488.

### Own Your Own Home for Less Than You are Paying Rent.

For \$600 cash down we build a nice plain 6 room \$1,800 house and give 10 years to pay the \$1,200 balance. Payments in principal and interest will average \$14.40 per month for the 10 years, when payments cease and buyers own their own homes.

We build up to \$3,500 house on this plan. We accept \$900 on a \$2,700 house; the monthly payments for 10 years to own this averages \$21.60 per month. The actual rent on the \$1,800 house is \$4.40 per month, as \$10.00 per month or \$120 per year applies to paying the principal. On the \$2,700 house, payments on principal is \$15.00 per month or \$180 per year, rent therefore only \$6.60 per month.

See the \$2,500 bungalow we are now erecting on Mount Royal Avenue—\$800 down and \$20.37 per month for 10 years is the price to own this beautiful home. We are in a position to give good service and value; we operate our own saw mills on the West Coast, also our own factory on Plank Road. We have one million feet of splendid sound, clear lumber of all kinds now in the city, including clear Fir Clapboard. Call on Mr. St. George, West End Lumber Yard, for further information.
