Nfld. Government Railway.
To All Concerned!

The Newfoundland Government Railway will endeavour, as far as possible, to forward all freight via North Sydney and Port aux Basques, but reserves the right, whenever circumstances in the opinion of the Management, require it, to forward freight, originally billed via North Sydney and Port aux Basques and designated steamers.

VIA HALIFAX or VIA LOUISBURG,
collecting extra charges over connecting lines, between North Sydney and Louisburg, and also the right to forward same by any steamer owned or chartered by the Railway from North Sydney or Louisburg, or Halifax, direct to St. John's, or Newfoundland ports other than Port aux Basques.

Shippers or Consignees, when effecting Marine Insurance, should bear this in mind, and have their policies covered accordingly.

Your Doctor's Bill
may be anything from \$50.00 up for a severe illness or injury lasting, say a fortnight. Add to that, special dieting, medicines, a nurse's fee, and maybe worse than all these the loss of your earnings (and this applies particularly to agents, salesmen, professional men, etc).
The cost may be amazing, and not one reader right now can say whose turn it will be next.
Why not let us foot the bills? A few cents a day paid to us twice a year will take all this worry from you. Better call 1154 TO-DAY and get all the details.
