BRIGGS' MODERN CURATIVE FOR CORNS, BUNIONS, INGROWING NAILS, TENDER FEET, &c.—It is the safest and most efficacious remedy ever discovered for the cure and prevention of aliments of the feet. It is not potash or acid, but a soothing, softening and healing ointment warranted not to injure the most delicate foot, but will soon effect a radical cure of these vexatious torments of the human family. There is no remedy equal to an operation by a skilful chiropodist. When this is not convenient, BRIGGS' MODERN CULATIVE comes as an angel of mercy. Sold by E. Harvey & Co., and druggists generally.
