

BREAKFAST - EPPS'S COCOA. - GRATEFUL AND COMFORTING - By a thorough knowledge of the natural laws which govern the operation of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many a heavy doctor's bill.

To CURB A COUGH, to relieve all irritations of the throat, to restore to perfect soundness and health the most delicate organization of the human frame - the lungs - use Dr. Wistar's Balsam of Wild Cherry, which is still prepared with the same care in the selection and compounding of its various ingredients when it was introduced to the public by Dr. Wistar, over forty years since.

We were pleased to see, not long since, in one of our exchanges, some pretty severe remarks addressed to several persons who, during an interesting lecture by Rev. J. S. C. Abbot, kept a continuous coughing, which prevented him from hearing. People who do not refrain from coughing, had better stay away from such places, or else take a bottle of Johnson's Anodyne Liniment with them.

M. J. BROWN SEQUARD experimented upon the refined arm of an executed criminal, by injecting warm blood into it; the muscles regained their contractility and their irritability. As the cutting off the blood in paralysis of the element, so a deficiency of blood is a cause of degeneration of nerve element. Fellows' Compound Syrup of Hypophosphites will cause the formation of healthy blood and consequent increased nervous power, induce vital activity in debilitated constitutions, and tone all the organs dependent for health on muscular or nervous strength.
