The Townspeople's "Picked Nine" - Hamilton Shut Out by Detroit - Grand Rapids Routed by Toronto - General Sporting News.

TOWNSPEOPLE VS. A PICKED NINE.
Saturday's game was between London boys—the majority of whom are playing with Fort Huron—and the Townspeople of Detroit. The game was scheduled to play, but, owing to the weather, they left for home in the morning. An interesting game was made more so by the inter-ference of the players, and a long-suffering audience rose on mass at the seventh inning and left the stand.
