LOCAL RIFLEMAN HAINES TAKES TO BALLOON IN 8TH TO SHOOT IN O. R. A.

Had Held Wolves To One Hit Long Branch To Be Scene of For Seven Frames When Crash Came.

BAY CITY, July 25 .- A big eighth Inming to break an existing tie and score six runs on a walk, five singles Whaley's second triple of the day, and the Bay City Wolves easily won the first game of the series from the Tecs Tuesday, 9 to 3. Haines was on the mound for London, and for seven inninge got by in good shape, although found for at last one safe hit in all but the sixth inning. Morton, who worked the first seven innings, was in trouble several times, although London could not hit him with any degree of certainty. His wildness got him into several holes, however, and it was only by clever fielding behind him that he sur-

clever fielding behind him that he survived as long as he did. His sore arm was giving him a lot of bother. In the eighth he was relieved by Matuzak with the score tied at 3-ail, and for the rest of the game the Wetzelites never had a chance. Then came the big eighth for the Wolves, when the game was sewed up tightly.

Carmen's walk, Mackey's sacrifice, and singles by Boyle and Richardson, accounted for London's first score in the second, the tally evening up for the run scored by Hegedorn in the first when he walked, stole second, took third on Whaley's single, and with Whaley worked the double steal for the tally.

The Wolves went ahead in the fourth on Wire's single, an overthrow of first, and Mackey's wild peg to third, and added another in the fifth on Koehler's single, two sacrifices and Simon's safe drive. London kicked back with two runs to tie the score in the sixth, on a walk, a hit batsman, Morton's error, and Stimpson's single.

From then until the eighth it was a nip-and-tuck battle, but the balloon went up in that inning, when, after Knoll and Wire had singled with one out, Haines passed Boelzle purposely to get Matuzak and Hegedorn. Matuzak proved an easy out, but Hegedorn eame through with a safe smash to score both runners, and before the third man was out ten men had batted and six runs were in. Whaley was the batting star, with two triples, two singles and a sacrifice in five trips to the plate.

HAMS CHECK YOUNG OTHER CLUBS SEE IT AS MENACE TO L. AND D.F.A.

> Hot Meeting Promised Tonight At "Y," Where Question, Will Be Thrashed Out.

> At a meeting of the L. and D. F. A. Council at the "Y" tonight, the application of the newly-formed Maple Leaf Football Club will be considered. From all reports, the formation of this new club will precipitate one of the greatest little fights ever staged in London soccer circles, but ultimately it may work out to the advantage of soccer as a whole, as it may mean changes on the council when the air finally is cleared.

> The formation of a new soccer club, which is in a position to take star players from several teams, especially St. Andrews and W. O. R.'s at this late date in the season, is not taken as either a sportsmanlike action not one calculated to be in the best interests of soccer by many of the club, officials, who will air their views at tonight's meeting. It means, they say, the disruption of several clubs, and feeling is running so high it might mean the temporary disruption of the association itself, once a controversy of sufficient force to clear the rather fogged-up soccer atmosphere of the present time got under way.

Inside Politics.

Players Out of Finals.

Ince, as a result of approaching several of the W. O. R. players to transfer to the new club, will not be playing in the finals Saturday, and there is a big possibility that if Holt affirms his wish to transfer also that St. Andrews will take the same stand with regard to him and he will not be
