round on line and extension plays. Sam Graham, their quarter and captain, played a brainy game, and drove his team hard in the third quarter, when, with the hill in their favor, the visitors made their supreme effort. The Woodstock line, hevever, was like a stone wall, and Sinclair and Scalissi were sure in their catching. Milburn, the local flying win, was good, and his catching of St. Thomas on-side kicks was a feature. catching of St. Thomas on-side kicks was a feature.

Sinclair had the better of the booting exchanges. Nell for St. Thomas kicking short on nearly every occasion. In the first quarter this fooled the Woodstock halves, who had to catch the ball on the bounce and had no success in running back kicks. McLeod and Geddes plunged splendidly for Woodstock, while Allan Lockhart made some splendid gains in truck plays.

The Woodstock boys will now meet windsor collegiate institute in the final found for the junior W. O. S. S. A. championship.

Carry Lead Into Guelph Today and Are at Full Strength.

Special to The Advertiser. Sarnia, Nov. 20 .- With the championship of the senior W. O. S. S. A. rugby series depending on the outcome of the game Saturday the Sarnia collegiate gridders left this afternoon for Guelph where they will write into the griditon season for either Greiph or Sarnia. Coach Dolly Gray expressed himself as well satisfied with the way the team is shaping up for the game, and claims that with Carter back on the line the blue and white should down the Farmers right on their own field.

This Sarnia team always has had the habit of rising to great heights when things looked bad, and, while the situation hasn't any foreboding look tomorrow, the lead they secured in the mud here last Saturday isn't as large as they usually carry back with them for a return game. No changes in the starting line-up for tomorrow's game is reported. The team is well fortified in the substitute positions. ship of the senior W. O. S. S. A. rugby

#### TEX ABANDONS PLANS TO PUT ON CHAMPIONS

Associated Press Despatch.

New York, Nov. 20.—Failure to agree with the state athletic commission on division of the receipts for charity to-day compelled Tex Rickard to abandon plans for bouts between Mickey Walker and Tommy Milligan for the welter-weight title and between Jimmy Goodrich and Lais Vicentini, for the lightweight championship at the Christmas fund show on Dec. 23.

Rickard appealed to the board to modify its demand that 56 per cent of the gross receipts be set aside for charity urging an arrangement under which the Christmas fund would share only in the profits of the show. To this the commissioners refused to give consent.

Rugby Ascendancy of Twin Cities For First Time Makes Today's Game Interesting.

Special to The Advertiser. Kitchener, Nov. 20. -- The strongest line-up of the season will probably represent the Kitchener-Waterloo rugby club in its sudden-death group final game at Galt tomorrow afternoon with the Hamilton Tigers.

Eglund, Ferguson and Snyder, the latter two old University of Toronto stars, will be in the line-up, while the former is a good plunger, who learned the game in the states. The winner of this game will meet Sarnia in the intermediate O. R. F. U. This is the first time in history that

This is the first time in history that the local gridders ever got anywhere in rugby and naturally interest in the game is very keen, and a big attendance at Galt from this city is assured. The club will have a particularly strong half line in action, while the wing line will be stronger than at any time this season, and a local victory is anticipated by the management.
