# AN INTERESTING DEBATE.

(From Saturday's Daily Colonist.) We reprint this morning from Hansard the discussion on the proposed amendment to the Comox & Cape Scott railway bill relating to the employment of Chinese. This is the first time for some years ese. This is the first time for some years that the Chinese question has come up in well-sent in such a prominent way and W. W. B. McInnes, but did not care to parliament in such a prominent way, and do so before the elections. It is suppos-

the limits of strict veracity. His remarks upon this point seem to have fall-tract the offensive language which it has North more closely than Mr. Hawkins, our brains about things which do and en upon very barren ground, for the house does not appear to have taken any notice of them. The parliament of Canada is a poor piace to ventilate petty local

namely, that parliament has no power under the B. N. A. Act to insert such a restrictive provision in any act, unless the restriction is of a general applicability. Sir Adolphe Caron, while opposing the coming anniversary of the birthday the restriction, thought that possibly par- of our beloved sovereign shall be markliament can prescribe the conditions upon ed in Victoria by an exceptionally im-To this it may be answered that parlia- events. There will be great disappointment cannot in this way trench upon the powers of the local legislatures. We ex-

what shall be said when the government of the subject is brought variably exercised by the committees in gress will be steady in all directions. Streets and see how Nature has sent F. Bleusse, Rev. B. G. Taylor, Sand Leeson, dandelions to cover up the scars we have Radford, J. E. Watson, William Leeson,

### MR. MARTIN A CANDIDATE.

Mr. Joseph Martin has decided to contest Victoria. He has an undoubted right to do so and is probably the strongest man who could be named in the inests of his party here, for it is a fact that not one of his political adherents here has any strength whatever, while Mr. Martin has undoubtedly all the stant that he can be elected; but ad-

a "deliberate falsehood." This is a lit-tle the most astonishing thing we have
