HAROLD WHEELER RECEIVES WOUND

Shot by Companion at
Campbellton While Exam-
ining Revolver.

IN SERIOUS CONDITION

Campbellton, N. B., July 31.—A shade of gloom was cast over the fire-stricken community this afternoon when it was learned that Harold Wheeler, a member of the local militia, and one of the town's most popular young men, had been the victim of a shooting accident as a result of which he is now in a precarious condition.

The accident occurred at noon and was caused by the discharge of a bullet from his own revolver while in the hands of a friend of his named Forsier. The latter was examining the revolver, which is an automatic one, when the discharge took place. The bullet passed through Wheeler's arm and entered his abdomen, rendering him unconscious. He was taken to the relief hospital where he is being attended by Drs. Pinault and Price.

This is the second serious accident to take place here since the day of the fire.

That the outside world is gradually being aroused to the seriousness of Campbellton's situation was made evident by the increased number of subscriptions received here on Saturday, more than \$3,000 being added to the relief fund. A pleasing feature in connection with it was the fact that the larger part of it came from upper Canadian cities, which up to a few days ago sent in little or no assistance.

MANY CURES REPORTED AT SHRINES OF STE. ANNE

Huge Procession in Chicago and Ste. Anne, Ill., Where Sacred Relics Were Secured From Canadian Shrine

Chicago, July 27.—A procession of 2,000 pilgrims whose homes are scattered from ocean to ocean, among them some who came on crutches, in wheel chairs and by train, marked the close of the feast of Ste. Anne, which has been in progress for nine days at Ste. Anne's church.

Simultaneously occurred the procession of lighted candles and the end of the Novena at Ste. Anne, Ill., the only other shrine in the United States possessing the sacred relics. At the latter place nearly 5,000 persons marched in the procession. Many wonderful cures are reported at both shrines, the lame and the halt said they were made to walk; the paralyzed claimed they were restored; and the blind asserted they were made to see.

Cures were announced at Ste. Anne and Chicago. Relics of Ste. Anne in the two American shrines were secured from the shrine of Ste. Anne de Beauséjour, Canada. The pilgrimages are held annually and attract afflicted persons from nearly every state in the Union.

A GOOD APPLICANT?

Mr. Robert Crawford, for some years a member of the St. John police force, and later, chief of police at Campbellton, is in the city today. The object of his visit is in connection with the position of chief of police of this city. Mr. Crawford states that if there is to be a change in the position of chief of police here, he is an applicant for the position. He is a Canadian.

CAMPBELLTON PEOPLE STILL IN DIRE NEED

Purse Strings are Being Gradually Unloosed but Much More is Needed if Refugees are to Survive Rigors of Winter—Measles Threatened.

Campbellton, N. B., July 31.—Public appeals for help from Campbellton are a last being answered with the generosity which the desperate situation deserve and at no time since the fire is assistance more urgent now than that measles threaten to become epidemic among the children.

In the case of many of the children there is sickness of some kind owing to lack of proper accommodation during the wet weather last week.

The building committee is arranging to provide homes for the poor as rapidly as the cash contributions allow. An investigation shows that about six hundred destitute people will have to be

assisted in building houses and supplying food for the winter. Even if only \$100 is spent on each of these families from now until next spring, it would necessitate a sum of sixty thousand dollars, yet only \$45,000 had been contributed up to last Saturday when several large subscriptions were received. In order to provide the bare necessities of life to the population at last \$100,000 will be needed.

Sergeant Harold Wheeler of the local militia was accidentally wounded yesterday by a comrade handling an automatic revolver. The bullet wedged in the abdomen necessitating Wheeler's removal to the temporary hospital.

Montreal Nurses Save Many Young Lives.

Montreal, July 27.—The two nurses doing pioneer work throughout the poorer quarters of the city instructing mothers in the proper care of their infants during the summer months, are doing good work.

Dr. J. E. Laberge stated this morning that they were every-

where being welcomed by the women who had attentively followed the instructions given them. The great handicap to the work was the inadequacy of the force at his command. The two nurses had frequently been unable to re-visit families before the lapse of a few days and by that time the more weakly of the infants had often died.

One hundred and sixteen infants under two years of age died in Montreal last week of enteric fever.

Brantford, Ont., July 28.—Unable to secure raw materials as a result of the Grand Trunk strike, the Farmers' Binder Twine and Schultz brick plants here were temporarily closed yesterday. Operations will be resumed as soon as supplies which are stalled arrive. The local strikers were paid off yesterday. They allege that before receiving their cheques offers to resume work were made to them, but refused.

Hamilton, Ont., July 28.—The American Can Co., and Fowler's Canadian Co., say they will have to close their factories unless they secure supplies and cars from the G. T. R. Two freight trains were sent out yesterday morning, one to Fort Erie and the other to Port Huron. The first fruit train since the strike started was sent to Toronto from Merrilton yesterday morning.

TROOPS CALLED OUT

Lansing, Mich., July 28.—The Grand Trunk strike situation at Durand has reached such a critical stage that two battalions of the Michigan National Guard have been ordered into their armories to await orders that might be forthcoming, to move to Durand. The sheriff and prosecuting attorney of Shiawassee county say they cannot control the situation without aid from the governor.

C., July 28.—Three million farmers of the United States are to be banded together to attempt the defeat of such members of congress and other public officials as are deaf to the demands of agriculturists for laws advancing their interests. The announcement was made here last night by Charles S. Barrett, president of the Farmers' Union, who said the organization was working on a list of such legislators, which will be known as the "Doomsday Book." The book, Mr. Barrett added, will be issued before November.

SPORTSMEN ARE MUCH PLEASED

American Visitors Had Fine Time Salmon Fishing With D. W. Clinch

St. John, July 27.—Two very pleased American sportsmen, J. G. McCoy, of Nayatt Pt. R. I., and L. H. Hazard, Providence, R. I., returned yesterday with Douglas W. Clinch, of this city, from an outing on the New Brunswick streams and lakes, in the upper counties. They were bent on salmon fishing, and considering the rainstorms with which they met, they were fairly successful. They visited the Tobique river, Upsalquich, Nepisiguit, and the Bathurst lakes, being aided by fine competent guides.

About the first of August Mr. Clinch will accompany Dr. Whitney of Boston, to the forests in order to allow that sportsman to secure some photographs of big game in the woods. They will take guides with them, and expect

DR. CRIPPEN IN GRASP OF LAW

World Wide Search for Alleged Wife Murderer Came to An End on Sunday. Nearly Collapsed.

Father Point, Que., July 31.—All doubts as to whether "Rev. Mr. Robinson and son" on board the steamboat Montrose were Dr. Crippen and Miss Leneve—Crippen, the London doctor who is wanted to answer the charge of murdering his wife; Miss Leneve, his stenographer—were set at rest this morning when Inspector Dew, of Scotland Yard, boarded the Montrose and immediately recognized the pair as the people he had been sent after. They were immediately arrested and kept on the boat as prisoners, continuing on to Quebec.

The Montrose arrived off Father Point this morning at 8.30 and was met by a pilot tug, on board of which was Inspector Dew with Chief McCarthy and ex-Chief Dennis, of the provincial police, all disguised in oil skins as pilots.

When they boarded the Montrose Dr. Crippen was walking the deck with Dr. Stuart, of the Montrose. Crippen appeared nervous, and enquired why so many pilots boarded the vessel. Dr. Stuart replied that possibly they were pilots.

The three officers walked the deck until they had a good look at Crippen and Miss Leneve. As

soon as Inspector Dew saw them he recognized the two, and gave a prearranged signal to his companions. Immediately Chief McCarthy and Denis moved over and arrested Crippen and Miss Leneve, and took them down to their cabin, where they are now held in charge of Inspector Dew.

CRIPPEN NEAR COLLAPSED

Crippen was completely taken by surprise, and became deadly pale when the officers apprehended him, his agitation being such that he was wholly unable to speak. Miss Leneve was seized with hysterics and could not say a word as she was assisted below.

The whole drama was enacted within a few minutes, and as soon as it was over a whistle was blown from the Montrose to a steam tender lying by, which enabled the thirty or more press representatives from Great Britain, Canada and the United States to board the Montrose, with the regular pilot. The vessel at once proceeded with the prisoners and police to Quebec, where she is expected to arrive shortly after midnight and where Dr. Crippen and Miss Leneve will be landed for the necessary formalities for their return to face their trial in London.

FIRE LIMIT IS VERY NECESSARY

Regulations For Buildings In Certain District Should be Made at Once.

WANT PUBLIC PARK

The Campbellton town council and advisory board held a meeting Saturday afternoon, at which the question of having a fire limit established in the town was again brought up for discussion. F. M. Anderson, of the Shives Lumber Company, was present and urged upon the council the necessity of having such a law as this established. He asserted that unless some steps in this direction were taken an enormous increase in the insurance rates would follow. The council left the matter in the hands of a committee, who will report at the next meeting.

In addition to a fire limit, G. G. McKenzie, chairman of the relief committee, stated that as a protection against fire the council should purchase land in the centre of the town to be used as a public square. This was looked upon very favorably by the council, and it is now altogether likely that such a purchase will be made.

Mayor Murray informed the council that Premier Hazen, while on his last visit here, promised to supply the council, judges and lawyers of the town, as well, with the provincial statutes and acts of assembly.

Judge McLatchy left on Saturday evening for Ottawa, where tomorrow he will appear for immediate aid. In the course of his appeal, Judge McLatchy will take occasion to remind the dominion cabinet that Campbellton previous to the fire had been the third revenue producing town in the province, and as a result was worthy of assistance if only in the way of an investment.

Mexico City, July 29.—"Greed not humanitarianism" said J. S. Garcia, the Argentine charge d'affaires in Mexico, city last night, "was the motive of the United States in the intervention in Cuba. Greed was her motive in the Philippines and in Panama, and it is the same motive by which she is inspired in her policy with Nicaragua now."

KILLS WIFE WITH A BREAD KNIFE

New York, July 28.—In the presence of his five little children, Abraham Roth, a Rivington street tailor, after quarrelling with his wife, plunged a bread knife into her throat today and then slashed his own throat. The woman, her jugular vein pierced with the thrust fled with a shriek to the fire escape and pitched headlong through the opening to the landing below. Picked up unconscious and taken to the Gouverneur Hospital, she died there half an hour later. Roth was found lying unconscious on the floor of the living room in his apartment and was taken to the same hospital where his condition was said to be critical. Roth had not worked steadily lately, it was said. The children of the couple said their parents had spent the greater portion of the night in carrying on the quarrel which culminated in today's tragedy. Roth is forty years old and his wife was slightly his junior.

PICKPOCKETS BUSY AT ST. ANNE'S

Quebec, July 27.—Pickpockets reaped a harvest at St. Anne de Beauséjour yesterday amidst a throng of about 6,000 persons who attended the feast-day celebrations. Three pilgrims to the shrine were relieved of money and railroad tickets. One man was minus \$165 in cash, another lost \$50 and two railroad tickets to Chicago and a third person was relieved of \$25 in cash and three railroad tickets to outside points.

The Very Rev. Father Murray, Superior-General of the Redemptorists, who is in Quebec, a guest of St. Patrick's Presbytery, preached the sermon at the solemn High Mass celebrated by Archbishop Beaudry, which was an impressive spectacle. Two cures were reported to have occurred at the shrine Monday.

SACKVILLE SCENE OF BRILLIANT WEDDING

Daughter of Rev. Thomas Marshall Weds A. W. Seaman, of British Columbia—Miss Ring, of St. John, Bridesmaid

Sackville, N. B., July 27.—An event of unusual interest took place at residence of Rev. Thos. and Mrs. Marshall, at 10.30 o'clock this morning, when their second daughter, Hilda Mary, was united in marriage to Athol Wendall Seaman, of Nelson, B. C., son of J. D. Seaman, Charlottetown.

The bride, who is one of Sackville's most popular young ladies, was very charmingly gowned in silk voile with passamenterie trimmings and oranges, and wore a bridal veil and orange blossoms. She carried a beautiful bouquet of white carnations and maiden-hair ferns.

She was attended by Miss Pauline Ring of St. John, who was prettily gowned in blue and white muslin with lace trimmings and a picture hat to match. The groom was supported by his brother, Luther, of Charlottetown. The nuptial knot was tied by the father of the bride, assisted by Revs. Bell, Sprague and Rogers. The brides going away gown was brown duchess cloth with corded silk trimmings and passamenterie.

She received gifts galore from almost every quarter of the globe. Only immediate relatives and a few others witnessed the ceremony. After a luncheon, the happy couple left for Prince Edward Island, where they will spend two weeks before leaving for the west.

THE U. S. AND LIBERIA

Paris, July 29.—The Matin under the heading "Menaced by a diplomatic incident" declares that if the United States goes to the extent of seeking to establish a sort of protectorate over Liberia, the project would be well received by the European governments.
