All the companies of the Royal School of Infantry are supposed, under

cablegrams. It appears that the Duchess has left the ducal home at Blenheim for an indefinite period, and that her titled husband is in no humor to follow. The Duke may therefore soon have a second divorced wife.

It will be remembered, says at Ottawa despatch, that last session of Parliament an Act was passed further to amend the law respecting proceto be content with the Dominion

Annexation.

(To the Editor of the Farmer.) SIR,-In the Province of Ontario, with a population of over two and a half millions. there is an excitement just now on the sub-j-ct of invasion by the Americans, threats without any just cause, but owing chiefly to the fact that the Washington Government has got up a case of fancied wrongs. These, 1. It is, in fact, got up not so much on ac-

count of the fishery complaints as because the Americans are growing j-alous of the commercial rivalry of our Dominion railroad to the Pacific ocean and the western states in view of cutting off that Western and European trade, and bringing it to Halifax and St. John, by way of the St. Lawrence by boats in the summer, and railreads in the

2. It is also caused by the fear that the North West and British Columbia will soon be settled largely by Canadians and British people hostile to their Republic, Thus they see that a population may arise in the West within the next ten years of more than ten millions along their North West borders, who, with our own Provinces east adjoining theirs, will patronize Canadian railroads.

St. John by our lines of travel. Even the | way." travel and freight of the Western American States might badrawn this way. All efforts

Our aitting of the Carleton Circuit Court was that of Peter O. Byram vs. Leonard W. Johnston. This was an action to recover the morning, going to capture the Russian damages for an alleged malicious arrest of army with a forage party? Evidently so. the plaintiff by the defendant in the city of Fredericton. It appeared that G. M. Cossitt & Bro. had recovered two judgments before & Bro. had recovered two judgments before and increase many some moving scene. They amagistrate in Madawaska County on two sudience upon some moving scene. They were still out of sight, but we could bear the dull strokes of their hoofs upon the turf. Up they came at last and as they hove in view, now within cannister range, their bugles there was good 0,00d in the set faces and hearts of oak under those scarlet jackets. The order to fire yan along the lines and I person-ally jerked the lock-string of one of my pieces without sighting. Our whole artillery flames ing with horsible wounds. The remainder bore on with gathering speed. I found them

of the shot through them was marked by a melting of horses and men and a spray of shr-dded flesh and clothing, while smid the hissing of the iron gale there was a low, hareh sound that I can ascribe only to the rending of bones and tissue. They passed and the say that according to his own way of the flesh flesh, the horses reached the say that according to his own way of the flesh the flesh the horses reached the say that according to his own way of the flesh the flesh the horses reached the flesh the flesh the horses reached the flesh the ing with lightning strides and the men high in their stirrups cheering and brandishing their sabres. They passed within anowball range of me and some of my men discharged their pistols and small arms upon the red ranks. Into the billow of smoke that rolled snock of direct conflict ensued, but in a few minutes the broken remnant of the troops respected, forced back by the hopelessness of the attack. There was some firing upon the brave fellows as they retraced their contracts. there came a sudden check to the firing as brave fellows as they retraced their corpse-strewn path of glory but my battery took no ship of Morris, Ontario, was totally destroyed part in it. We felt great admiration for the troops but never could understand the pur-

> Master-tailor O'Donoghue of the Infantry School Corps, who proudly wears on his breast the medals and clasps for the battles he took part in in the Crimean war, was a non-commissioned officer in the Srd Brigade of Field Artillery of the British Army, and seed the famous charge of the Light witnessed the famous charge of the Light Brigade from the heights of Balaclava. The Brigade from the heights of Balaclava. The L., No. 20., held in the Orange Hall, Queen account given by the Russian officer he says street, Friday evening, the following officers is a true and correct one. The following after-noon was fought the battle of "Little" Inkerman, which he describes as one of the hottest of the campaign. It was styled little on account of the advance of the Russian army being checked by the 2nd Division of the British army under command of Sir De Lacy Evans. The Russians when they made this attack expected to find the British troops is a confused and demoralized state from the previous da,'s exploit, but they were disappointed, for they were badly beaten and driven back towards Sebastapol. He does ot care to tell of or refer to the acenes of the onflicts he was engaged in. At times he suffers from the hardships he endured during the cold winter months in the Orimes, but is therwise in the enjoyment of good health,
