A QUEER AMBITION.

A Rich California Girl who Married a Toronto Bachelor.

The death of a young and handsome Toronto bachelor, Frank McKee, has become a curious story of a rich young girl of Oakland, Calif., who married him.

Seven years ago, when McKee was a young man of 25, he met a young girl of 20, who was a widow and had a young child.

She was a widow and had a young child... She was a widow and had a young child... She was a widow and had a young child.

She was a widow and had a young child... She was a widow and had a young child... She was a widow and had a young child.

She was a widow and had a young child... She was a widow and had a young child... She was a widow and had a young child.

She was a widow and had a young child... She was a widow and had a young child... She was a widow and had a young child.

She was a widow and had a young child... She was a widow and had a young child... She was a widow and had a young child.

She was a widow and had a young child... She was a widow and had a young child... She was a widow and had a young child.

She was a widow and had a young child... She was a widow and had a young child... She was a widow and had a young child.

She was a widow and had a young child... She was a widow and had a young child... She was a widow and had a young child.

She was a widow and had a young child... She was a widow and had a young child... She was a widow and had a young child.

She was a widow and had a young child... She was a widow and had a young child... She was a widow and had a young child.
