First Hellef, Ultimately a Cure. These are the successive effects of one of the most deservedly popular remedies in the Dominion, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which reforms an irregular condition of the bowels and liver, invigorates the stomach, renews digestion, and changes the current of the blood from a sluggish and turbid into a pure, rapid and fertilizing stream.

Rheumatism

and Neuralgia These twin diseases cause untold suffering. Doctors admit that they are difficult to cure so do their patients. Paine's Celery Compound has permanently cured the worst cases of rheumatism and neuralgia-so say those who

"Having been troubled with rheumatism at the knee and foot for five years, I was almost unable to get around, and was very often confined to my bed for weeks at a time. I used only one bottle of Paine's Celery Compound, and was perfectly cured. I can now jump around, and feel as lively as a boy." Frank Casolt.

Eureka, Nevada, NO USETO OWNER.

After suffering with chronic rheumatism for several years, I was induced to try Paine's Celery Compound, and after using two bottles found myself greatly improved. In fact, after using three bottles, have not felt any rheumatism. Can conscientiously recommend it. Yours very truly. MES. P. COWAN, COWANSVILLE, P.Q. Paine's

Celery Compound "I have been greatly afflicted with acute theumatism, and could find no relief until I used Paine's Celery Compound. After using ix bottles of the medicine I am now cured of theumatic troubles."

SAMUEL HUTCHINSON, Sc. Cornish, N. H. Effects Lasting Cures. Paine's Celery Compound has performed many other cures as marvelous as these,—copies of letters sent to any address. Pleasant to take, does not disture, but aids digestion, and entirely vegetable; a child can take it. What's the use of suffering longer with rheumatism of neuralgia?

sr., Abilene, Texas. When F. W. Ratchiffe, the Front-street west jobber, assigned some few weeks ago it who had bought him out about the beginning who had bought him out about the beginning of the year, would suffer somewhat in consequence. Yesterday afternoon the crisis was reached when Capewell executed a deed of assignment to Griffin. Sawle & Co., with nominal assets of \$29,000 and fishlities of \$30,000. This statement shows a deficit of only \$1000, but those who know something about the business say the deficit will be considerably larger.

Capewell runs six stores, four in Toronto, one in Refrew and one in Guelph. All are retail houses except the one in Fronti-street, which is a jobbing and wholesale house.

Constipation

Is a universal and most troublesome disorder. It causes Headache, Mental Depression, impairs the Sight and Hearing, destroys the Appetite, and, when long continued, causes Enlargement of the Liver, Inflammation of the Bowels, and Piles. Constipation is speedily cured by Ayer's Pills.

For a number of month; I was troubled with Costiveness, in consequence of which I suffered from Loss of Appetite, Dyspepsia, and a disordered liver. My eyes also troubled me. I was compelled to wear a shade over them, and, at times, was unable to bear exposure to the light. I was entirely

I suffered from Constipation, and, consequently, from Headache, Indigestion, and Piles, for years. Ayer's Pills, which I took at the suggestion of a friend, have given me effectual relief. I commenced taking this remedy two months ago, and am now free from Constipation, the removal of which has caused my other troubles to disappear, and greatly improved my general health. — W. Great excitement at his offices all day and evening, 9 a.m. to 9 p.m. week days. Deaf hear, blind see, lame walk, the puralysed regain their power. Many come crying with pain, leave smiling. Larger numbers than ever throng the new offices. Looks now as if the professor is to have no holiday to take his annual tramp to Paris and Berlin. It will be a disappointment, speaking both languages, as he does. He enjoys the visit greatly.

NARROW ESCAPE FROM DEATH.—Miss Nettie C. of B., Ont., has been an invalid the past five years. She has suffered terribly from female irregularities, nervous exhaustion, depression of spirits, loss of appetite and a great sense of lassitude and weakness of the whole body. Some days she would feel comparatively well, and the next day he wholly unable to assist herself; the least effort or exercise would produce a shortness of breath, and het, faint flashes would pass over her, and a sense of weakness follow that is simply indescribable. She lost 30 pounds of flesh, her skin became sallow, and at times her body would bloat so that she could not fasien her clothing around her, and she was a lopeless, helpless invalid. In this condition her mother brought her to Dr. Lemon. Treatment was commenced on the 20th February. She had two magnetic treatments per week in connection with a little medicine, and last week she pronounced herself well and feeling better than she has for seven years, and advises every-body to try Prof. Lemon, that his Magnetic Power, under divine ruling, saved her life after all other means failed, and she thinks he can cure you eyen if you think there is no help for you. Although he is now in perfect health, previous to six mouths ago he had Catarrhal Dyspepsia so bad that the best Physicians of this city failed to give him any permanent relief, and he was led to believe that his case was beyond the reach of medical skill. In speaking to a friend about his trouble he said, I had catarrh very bad, and it seemed to have affected my whole system. Even my stom ach had become very weak as a result of this disease. The pair in it was of a burning character, I was very nervous, my heart palpitated, my tongue was badly coated and very bitter. I had many other very disagreeable symptoms, but I am glad to say that they have all been removed, and I am again a well man. When I think back how I suffered, and now cured, it seems too good to be true. And I am glad to be purificed to say a good word for the dectors at 170 king-street west.
