

AT THE PRESBYTERY.

A LARGE AMOUNT OF BUSINESS TRANSACTED YESTERDAY—A LITTLE BREVES.

The meeting of the Toronto Presbytery yesterday in St. Andrew's Church was not by any means a prosy one. On the contrary, it was characterized at intervals by arguments in which the participants became somewhat heated.

Moderator Match occupied the chair, there being 27 of the clergy and 12 elders present.

Rev. Mr. McFayden of Toronto Junction was, at his request, enrolled as a member of the Presbytery.

Rev. Mr. Potter, Merrickville, accepted by telegram a call to the Southside congregation. Induction services will be held on the evening of Nov. 10, when a reception will be tendered the new incumbent.

The Report Amended. Rev. Mr. Frizell reported on the condition of the Fairbank and Fisherville Mission, stating that there had been no increase in the population there had been no increase in the membership.

Rev. Mr. Brocher of Brussels spoke a few words concerning the work of the mission among the Roman Catholics. He solicited aid both spiritual and material.

Rev. G. M. Milligan, Rev. John Nell, Clerk Tibb, and Elders Patterson and Kirkland compose a committee formed to confer with the Knox College students regarding the services to be rendered by them during the session.

A Report Not Amended. Rev. D. J. Macdonnell, reporting on the financial status of Bonar Church, stated that it could not as yet do without the annual grant of \$200, as a recent purchase of real estate had been made, requiring a outlay of \$5000.

Mr. Frizell was anxious to know how it was, that as Mr. Macdonnell was so concerned about the great outlay and heavy demands, made upon the augmentation fund he could reconcile it with his conscience to ask for it.

Another Report Adopted. A delegation from Mimico, composed of Messrs. Haggard, Hendry, Gray and Ritchie, were received. They wished to petition the presbytery to sanction a grant of \$2500 to help them in raising the stipend for a minister.

At the meeting of the Toronto Presbytery, held on the evening of the 4th inst., the following resolutions were adopted: That the presbytery do not recommend the application for a minister.

Rev. D. J. Macdonnell, being chairman of the Toronto Presbytery, appointed to visit Mimico, reported in favor of a minister being appointed to take charge of the parish.

The Presbytery living in the vicinity offer to give \$500 if they can choose a minister and have him for three years.

Messrs. Lyman Thompson of Cooke's Church and Robert J. Macpherson of Knox Church offered themselves for mission work in the Northwest.

Mr. Macpherson has been a law student for two years and has attended lectures in Osgoode Hall for them.

The Cottage Workers' Annual. The Cottage Workers have just entered upon their 20th year, and last night they held their annual meeting.

At the meeting of this venerable society yesterday afternoon, Mr. William Lee gave an account of a trip to Philadelphia, in which he went over the same route as Governor Simcoe in 1776.

"August Flower"

Mr. Lorenzo F. Sleeper is very well known to the citizens of Appleton, Me., and neighborhood. He says: "Eight years ago I was taken sick, and suffered as no one but a dyspeptic can. I then began taking August Flower. At that time I was a great sufferer. Every thing I ate distressed me so that I had to throw it up. Then in a few moments that horrid distress would come on and I would have to eat and suffer for that."

"Horrid Stomach Feeling." "Dyspepsia disappeared, and since that time I have never had the first sign of it. I can eat anything without the least fear of distress. I wish all that are afflicted with that terrible disease or the troubles caused by it would try August Flower, as I am satisfied there is no medicine equal to it."

For that "little of your medicine, and felt much better, and after taking a little more of August Flower my dyspepsia disappeared, and since that time I have never had the first sign of it."
