Lambton Municipal Organization.
The Municipal Association of Lambton County was launched on Wednesday afternoon, at a well attended meeting in the town hall Sarnia.
The chair was occupied by Warden F. C. Watson, who was the instigator of the movement, and called the meeting to order about 2.30. With him on the platform was Sarnia's doughty mayor, Mr. David Barr.
There were about eighty municipal officers, past and present from different sections of the county.
The warden stated the objects of the

gathering, and called on John Fraser, of Petrolia; Robert Rae, of Thedford; Joshua Adams, Jas. Kerr, Sarnia; Capt. Pollock and P. D. McCallum, Forest, to take seats on the platform.
Mayor Barr then addressed a few words of welcome on behalf of the town to all present.
John Farrell and W. A. Graham, ex-warden, replied to the welcome extended by Mayor Barr and Wm. Watson, and congratulated the citizens of Sarnia who always extended a hearty welcome to residents from the other sections of the county. Each of the speakers congratulated the town of Sarnia on its prosperity.
Warden Watson read letters of regret from F. E. Pardee, M. P.; J. E. Armstrong, M. P.; Hon. W. J. Hanna, Provincial Secretary; Judge D. F. MacWatt, and others. Messrs John Farrell, Wm. Nesbitt, Albert Duncan and Geo. A. Proctor were appointed a committee on resolutions and bylaws.

BABY ALWAYS WELL.
"I have nothing but good words to say for Baby's Own Tablets," says Mrs. A. Dupuis, of Comber, Ont., and she adds: "Since I began using the Tablets my little boy has not had an hour of sickness, and now at the age of eight months he weighs twenty-three pounds. I feel safe now with Baby's Own Tablets in the house, for I know that I have a medicine that will promptly cure all the minor ills from which babies suffer. I would advise all mothers and nurses to use Baby's Own Tablets for their little ones." These are strong words, but thousands of other mothers speak of them strongly in favor of this medicine. Sold by all medicine dealers or by mail at 25 cents a box by addressing The Dr. Williams' Medicine Co., Brockville, Ont.

What The Great Storm Did.
A great Windstorm of almost cyclonic violence, accompanied by terrific rain and vivid lightning, passed over all Southern Ontario Friday afternoon and evening, doing damage that in the aggregate must amount to hundreds of thousands of dollars. Telegraph and telephone lines are blown down in all parts of the country, and reports are, therefore, of the most fragmentary nature. It is not yet certain that there was a heavy loss of life, but among the many property losses are the following:—
At Niagara Falls the walls of the two main gables of the new General Hospital collapsed and tons of masonry crashed through the three floors to the basement.
Plate glass windows are blown in on the business streets of Hamilton, and 500 feet of the roof of the International Harvester Company's main building was carried away. Other companies, including the lines of communication, suffered severely.
St. Thomas was swept by the cyclone and trees were blown down all over the city. A portion of the roof of the M. C. R. shops were blown away. Street car and power service was suspended.
H. Cousin's bank barn was demolished at Beamsville. The loss will be \$5,000.
A Detroit boy on his way to a Canadian summer resort was blown off Belle Isle bridge and drowned.
One man was crushed by a falling tree near London and may die. Two men are reported to be killed near Springfield.
The 90 foot elevator tower at Port Stanley was blown over.
In Chatham the storm was terrific. The tower of the Park Methodist Church collapsed, and beautiful shade trees, the growth of years, were uprooted. Factory chimneys were levelled and lines of communication disabled.
East of Windsor all wires were down and marks of the storm's devastation were everywhere in evidence.
The cyclone swept through Rodney, West Lorne, Dutton, Shedden, Zorra and Fingal, hitting everything movable in its course.
Maxwell Church, on the sixth line of Plympton, was struck by lightning, which tore a hole in the roof.
At Roddey the cyclone blew off the roofs of the Binder Hotel and Roddey House.
Sarnia received the full brunt of the storm. Industrial and milling plants suffered, including W. F. Lawrence & Sons' mill, from which 1,500 feet of roofing was torn away.
The Alvinston Old Boys' Association now has a membership of over 600.
