

HEALTH RESTORED!!

HOLLOWAY'S PILLS.

Surprising Cure of a confirmed Asthma, after five years' suffering. The following testimonial has been sent to Professor Holloway, by a Gentleman named Middleton, of Scotland road, Liverpool.

SIR.—Your Pills have been the means, under Providence, of restoring me to sound health, after five years of a severe asthma. During the whole of that period I suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm, intermixed with blood. This I took my constant port, and as I was afflicted for any of the pleasures of life. I was attended by several of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried to bleed, and in about three months, they effected a perfect cure of the disease, to which I was again subjected. As a last remedy I tried to bleed, and in about three months, they effected a perfect cure of the disease, to which I was again subjected. As a last remedy I tried to bleed, and in about three months, they effected a perfect cure of the disease, to which I was again subjected.

A Permanent Cure of a Diseased Liver.

Copy of a letter from Mr. Gamis, Chemist, New York, to Professor Holloway.

Dear Sir,—In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in liver and Biliary Complaints I may mention the following case. A lady of this town who was a severe sufferer from a disease of the Liver and digestive organs; her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to take a trial of your Pills, which so improved her general health, that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and she declares that your Pills have been the means of saving her life.

I remain, dear Sir, yours truly,

An astonishing Cure of Chronic Rheumatism, after being discharged from the Hospital incurable.

Copy of a Letter from Mr. W. Moon, of the Square, Winchester.

To Professor Holloway.

SIR,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried every thing that was recommended, and was attended by one of the most eminent surgeons in this town, but obtained no relief whatever, and fearing that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your Pills, and by persevering with them, was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed, I have felt no return whatever of the complaint.

I am, Sir, your obliged servant,

An extraordinary Cure of Dropsy, after suffering for eighteen months.

Copy of a letter from Mr. G. Briggs, Chemist, Google, dated February 15th, 1853.

To Professor Holloway.

SIR,—I have much pleasure in informing you of a most surprising cure of Dropsy recently effected by your valuable medicines. Captain Jackson of this place was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin, so that a daily change of apparel became necessary. Notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly reestablished. If you deem this worthy of publicity, you are at liberty to use it.

I am, Sir, yours respectfully,
(Signed) G. BRIGGS.

THE DUKES OF WELLINGTON.

By Lieut. Col. Williams; (a Companion of the Bath, &c.)

Comprising the Campaigns and Battle Fields of Wellington and his Comrades, the Political Life of the Duke and his Contemporaries, and a detailed account of England's Battles by Sea and Land, from the commencement of the Great French Revolution to the present time, interspersed with Anecdotes, Personal Recollections, and Adventures, &c.

ADDRESS.

The earthly career of Arthur Duke Wellington has closed; one of the greatest men of the nineteenth century, the foremost military commander of our age, has paid the debt of nature. The nation has not only lost a great warrior, but a statesman of the highest rank, and a man whose influence will be felt upon society till the end of time. Such a work must appeal to the best and proudest feelings in the heart of every Briton—the glory of his country, the honour of its name, and position among the nations—may his own existence as a hero, as he is recorded and engraven in the annals of the world, be a source of pride and glory to the nation, and a lesson to the world. The Duke and his contemporaries were engaged, and giving to the reader a connected narrative of the lives and actions of the Warriors and Statesmen of the nineteenth century; and this from the pen of one who was a companion in arms of the Duke here, and participated with him in many a well-fought field.

In order to carry out their views, the Publishers have determined that the work shall be profusely illustrated by Portraits of the Warriors and Statesmen of the last half century who have shed a lustre upon the history of their country; also representations of some of the most important engagements by sea and land from the period of 1789 till 1852; so that the work, when finished, shall form an illustrated Gallery of the Naval and Military Exploits of England.

It has been well said, "Character is the true strength of nations; true glory their best inheritance. When the time shall come that the British heart no longer shall come that the names of Cressy, Poitiers, Agincourt, Blenheim, Ramilies, Oudenarde, Malplaque, of Talavera, Salamanca, Toulouse, Waterloo—the last hour of the British Empire will be struck." The promise and elevation of national spirit and feeling is therefore the duty and interest of every true and loyal son of England. May Heaven inspire the hearts of every one of us with that spirit and feeling.

Conditions of Publication.—The work will be issued on the 1st and 15th of every month, in Parts at 1s. 3d. and Divisions handsomely bound at 9s. 4d. printed on Imperial 8vo double columns; each part will be embellished by two highly finished steel Engravings, and will contain 32 pages of letter press. A beautiful steel Engraving 13 by 19 inches, the storming of Seringapatam, the first victory in which the late Duke of Wellington was engaged in India, to every subscriber to the work.

Holloway's Ointment.

A most astonishing cure of Scrofulous Ulcers—a case certified by the Mayor of Boston.

Copy of a letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To Professor Holloway. Dear Sir,—Mrs. Sarah Dixon, of Liqueur-pool street, Boston, has this day deposited before me, that for a considerable time she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body; and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse. Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, symptoms of amendment appeared by persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules as to diet, &c., she was perfectly cured, and now enjoys the best of health.

I remain, dear Sir, yours truly,
(Signed) J. NOBLE.

An extraordinary and rapid cure of Erysipelas in the leg, after medical aid had failed.

Copy of a letter from Mrs. Elizabeth Yates, of the Post Office, Alcock Road, near Bognor, Sussex, dated Jan. 12th, 1853.

To Professor Holloway.

SIR,—I suffered for a considerable period from a severe attack of Erysipelas, which I had secured in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent relief, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg, and restored me to the enjoyment of health. I shall ever speak with the most confident confidence of your medicines, and have recommended them to others in this neighbourhood similarly afflicted, who derived equal benefit. I am, Sir, your obliged and faithful servant,

A dreadfully diseased Ankle cured after being given up by the Faculty at Malta and Portsmouth Hospitals.

The following important communication has been forwarded to Professor Holloway for publication, by Mr. B. Dixon, Captain, King St. Norwich.

Copy of a letter from Captain Smith of Great Yarmouth, dated January 19, 1853.

To Mr. Dixon.

Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's celebrated medicines. Mrs. John Williams, late in Her Majesty's Service, on the British fleet at Malta, had a very bad ulcerate ankle, and after being in the Malta Hospital for six months, was sent to England as an invalid to Portsmouth Hospital, where he remained an inmate four months, there, as at Malta, refusing to have the limb amputated, he was turned out incurable. He then came to Yarmouth, and was under a medical gentleman for about three months, but his ankle became so much worse, that all hope was lost. At this period, by my advice he tried Holloway's Ointment and Pills, which by continued application, healed all the ulcers, and restored him to perfect health and strength.

I remain, dear Sir, your very truly,
(Signed) JOHN SMITH, Alcock Hotel, Great Yarmouth.

Surprising cure of a bad Breast, Newcomer's Debility, and general ill health.

Copy of a letter from Mr. T. P. Ker, Clerk, at, &c., Lower Moss Lane, Manchester, dated Feb. 12th, 1853.

To Professor Holloway.

Dear Sir,—I have great pleasure in forwarding to you the particulars of a very extraordinary cure of a bad breast, effected solely by the use of your celebrated Ointment and Pills. Mrs. March Bell, of Farnham, in this town, had been for a considerable time labouring under nervous debility, loss of appetite, and general ill health, occasioned by ulcerated wounds in the breast. She had much experience in the use of all the known remedies for the cure of ulcers, but without any beneficial result in fact she had nearly lost all faith and hope of a cure being effected. In this distressing and painful condition of body and mind, she was persuaded to have recourse to your invaluable Ointment and Pills, which she immediately did, and in the course of a very short time the effect produced was most astonishing; her appetite was speedily improved, the sores and ulcers in the breast gradually healed, and the nervous excitement of her system was wholly removed.

I remain, dear Sir, your faithfully,
(Signed) T. FORSTER KER.
