The Weekly Monitor

At Bridgetown, Annapolis Co, N. 8 Ferms \$1.50 per year; allowed at \$1.00 if paid

WEDNESDAY, Aug. 17th, 1904. falf your year's subscription advance, we thank you. If your subscription is in arrears, you will save money by settling without further delay.

-Newfoundland still holds cut against union with Canada. Sir Robert Bond states that the interests of the people of Newfoundland are mor concerned with reciprocal relations with the United States than any scheme of confederation with Canada or other British possession.

-Mayor Harrison, of Chicago, ha been called upon to settle the stock- after 12.30. yards strike. He will hear first the representatives of the strikers, and later liscuss the situation with the packers. He will need the wisdom of a Solo- call to Fitchburg, Mass, mon to secure satisfaction, for both quite satisfied with the present position of affairs, as they have all the employees necessary for conducting

operations in the Far East, and Janan has the mastery of the sea. Vice Admiral Kamumura engaged the Vlading one ship and inflicting heavy damage on two others. This restores the ses of one of the most serious pro Arthur. A despatch of the 14th inst. "Twelve Japanese regiments Paradise.

thur. It is stated on trustworthy authority that the Mikado has ordered main Japanese force will proceed to Port Arthur within a few days. The in the expenditure of both men and ammunition. Russian advices from vals, say that the garrison is nerved for a most desperate resistance and is

-C. R. Coutlee, provincial road inmissioners and those generally interested in the Good Roads movement lowing excerpts which are of suggestive "Earth roads are at best a make-

tive than 50 men for one day. "Hard Pan," or a mixture of clay and gravel, usually suffices for a roadway, also provided that the stones are not so large as to protrude when wear and wind have removed the soil between them. Sods, either cut by hand shovelling or by road machine, are not fit for road surfacing. Throw them clear of the ditch first and then use the clean clay or loam from beneath. Constant vigilance is the price of freedom; so constant, systematic care is the price of fair earth roads. "Greater prosperity marks the localprice of fair earth roads.

"Greater prosperity marks the locality where highways are good. Farms are more extensively cultivated, because markets are attainable at all seasons, and lands, which would otherat once reflect d in the slackened ambition and slackened energy of the people. With excuses to Kipling—

'All along of carelessness; all along in his new field. of mess; All along of doing things rather more or less. Eleven months, macro...,
tale of wee;
Mind you keep the highway and yourself just so." nonths' inaction, speaks its
