## SPECIAL NOTICE

Our time for changing ads. is Monday, 12 o'clock noon. After this hour all ads. are refused for the current week's issue.

## A BIGGER MONITOR

This is the second time the MONITOR has been enlarged under the present management, which began June 10th, 1917. This present enlargement has been brought about under difficulties, owing to the scarcity of printers, newspaper and all other necessary equipment, such as new type, brass rule, etc. As we have been publishing on the first page of every issue, every added subscriber helps to make this paper better for everybody. The same can be said about new advertisers.

Better advertising patronage begets new advertisers and more space from old ones, and more ads. bring increased circulation; for people do read newspaper ads.—they look for them. The ad. pages are a buyer's directory; the best directory always has the most readers. More and better ads. brings larger circulation, larger circulation brings more ads.—it is an endless chain.

The management of the MONITOR is putting forth every effort to give the people a good local newspaper, one that is a credit to the town and Annapolis and Digby counties and judging from our rapidly increasing circulation and advertising patronage we believe our efforts are being appreciated.

## A Farmers' Day.

Wednesday, Oct. 1st, will be "Farmers' Day" in Bridgetown. A good programme of sports will take place on the Athletic grounds during the afternoon, the receipts from admissions and other sources being for the benefit of the Bridgetown Brass Band. Committee in charge: Sgt. Maj. Geo. Gill, E. A. Hicks, C. B. Longmire, A. C. Charlton, F. H. Johnson and J. Myers. See posters which will be printed this week.

## Another Auto Accident.

Mr. Donald MacPherson, son of Mr. and Mrs. W. C. MacPherson, of the St. James Hotel, broke his arm last Friday while cranking his auto at Clark's Harbor, Shelburne Co. After having it set, he drove with one arm 150 miles to Barton, where his machine was struck by a big touring car. Keith Burns was called up by phone, went to his assistance, and repaired the car, bringing it home under its own power, arriving here Sunday night.

## Brong's Home For Internment.

The remains of Mrs. Mary C. Anthony, who died at Lynn, Mass., on September 4th, aged 81 years, arrived in Yarmouth on Tuesday morning and were forwarded to Port Wade, Annapolis Co., where the funeral took place on Wednesday afternoon. Her son Burtis Anthony accompanied her remains.

Winard's Liniment Cures Diphtheria.

## Local Happenings

Over forty schools are still without teachers in the counties of Shelburne and Yarmouth.

Mr. Milledge Rice's four year old colt was killed by the east bound "Owl" yesterday morning.

The Women's Institute will meet in the Council Room on Thursday afternoon, Sept. 18th, at 3.30 o'clock.

A colored man brought before Magistrate Messinger last week was fined \$200 and costs for violation of the Nova Scotia Temperance Act.

St. Mary's church Sunday School, Belleisle, propose holding their annual picnic next Saturday afternoon at the home of Mr. Douglas Kearns.

Kentville is to have two big days of Horse Racing, Thursday and Friday, Oct. 2nd and 3rd. \$1000 will be given in purses. Five classes will enter.

Mr. Bernard Spurr's farm at Carleton Corner, has been purchased by Dr. Chas. Muir, of Shelburne, who is at present the guest of Mr. and Mrs. Karl Freeman.

We introduce to our readers this week "Mickie" the Printer's Devil, a cut of whom appears on our sixth page. Watch for what he says during the next few weeks.

Mr. H. H. Whitman says the MONITOR is a great advertising medium. He received his money for the ribbon stolen from his store by the following mail after the ad appeared.

Sixteen young women from West Pubnico engaged in the Roberts Simpson Co.'s canneries at Pubnico and Abbott's Harbor passed through Bridgetown via Friday's D. A. R. express for Auburn, Kings Co., to work in the apple canneries controlled by those big English packers at that place.

On Saturday morning five cars of the H. & S. W. train from Lunenburg left the rails at Alpena. The caboose was borrowed from a gravel train which happened to be on the siding and the passengers, mail and baggage brought in to Middleton in time to connect with the D. A. R. express westward.

Bear River Branch G. W. V. A.

The usual fortnightly meeting of the Bear River branch, G. W. V. A., was held in the Green Lantern, on Sept. 10th. The attendance was large and much important business was done.

The meeting pledged itself to uphold the position taken by the Dominion Command in its demand for a Commission to consider soldiers' problems. To this a letter was sent Mr. A. L. Davidson and the following telegram to Sir Robert Borden: "The Bear River Branch G. W. V. A., hereby registers its resolution to uphold the Dominion Command in its demand for a commission to consider soldiers' problems and considers the appointment of this Commission."

A consideration of the Prohibition question was unavoidably held over until Wednesday 17th Sept. to be considered at a special meeting.

Five new members were enrolled. Will all returned soldiers in the district please bear in mind that this branch meets on the 2nd and 4th Wednesday of each month. All should come along and help make the next attendance a record.

A. F. & A. M.

Rothsay Lodge, A. F. & A. M., had an official visit last Thursday evening from Mr. Geo. D. MacDougall, of New Glasgow, who is the Most Worshipful Grand Master of the order for the province of Nova Scotia. He was accompanied by R. V. T. C. Mellor, of Annapolis, who is the local District Deputy Grand Master and several of the members of the Annapolis Royal Lodge. Refreshments were served and a very pleasant evening was the result of the much appreciated visitation.

Large Potato Shipments

(Yarmouth Telegram)

A large shipment of potatoes was made by Annapolis Valley shippers to Boston by the Governor Cobb Friday evening. Six large cars arrived here by the D. A. R. freight Thursday afternoon, and Friday morning a special freight arrived at 6 o'clock with nine more carloads, which made a total of upwards of 3,500 barrels.

Prompt Action Required

In the interest of and for the safety of the general public it is necessary that the town place a telephone in the residence of the chief of police so that he can be called at any hour in the night. It is not necessary to refer to the recent events which have led up to this important step, the public are asking for it and we feel sure our Mayor and Town Council will give it their prompt attention.

## Chautauqua at Bridgetown

Chautauqua has made its first visit to Bridgetown and all six entertainments were well patronized and the big audiences were much pleased with the entertainers and the class of entertainment. Rev. Mr. Morgan the superintendent and Mrs. Morgan, as well as all the performers, made many friends in Bridgetown and vicinity but perhaps the most popular of them all were Stephen A. Haboush a Shepherd of Galilee and Daddy Grohecker and his Swiss Yodlers, whose performance was considered by many, the best ever heard in this town. The McKinnle Operatic Co. was also good and Dr. Frank Bohr's lecture on "Revolutionary Europe" was certainly an able address. At the close of the third night there was a rush of guarantors to the platform to make possible the return of Chautauqua to Bridgetown next year.

## Died in Vancouver

The death occurred at Vancouver on Monday last week of Hugh E. Gillis, the first Mayor of Annapolis Royal, in which town he practiced law for several years. He afterwards removed to the west and was for some time Clerk of the town of Calgary.
