DR. WILLIAM T. ELLIS' LECTURE

"The Big Thing That Has Happened In The World," Will be a Subject at Chautauqua.

Dr. Ellis is a war correspondent and journalist who is willing to stake his reputation on the outcome of his predictions.

He was able to predict accurately the present upheaval in the Near East because he had been almost literally over every foot of the ground, had interviewed the people and their leaders and knew what to expect.

He knows how to tell his travel tales so as to illumine his message. He has always been hospitable to the humorous side of life.

Dr. Ellis' experiences during the war give a fairly good idea of his first hand knowledge of the things he talks about. He went five times through the submarine zone; worked on six battle fronts; was under fire from China to France and Egypt; covered between fifteen and twenty thousand miles in Russia under the revolutionists and Bolsheviks; interviewed the Sultan of Turkey; travelled across Asia Minor in a box car; interviewed Zionists, Moslems, and Christians, in Palestine; saw the Armenian destitution for himself; watched the intrigues of the Great Powers of the Levant; and talked with hundreds of fellow Americans all over the East.

And it is upon this vast fund of experience, so vital that the government brought Dr. Ellis home on a special destroyer to tell the tale, that the lecturer will draw to give his new message. "The Big Thing That Has Happened in the World. Be sure

and hear him at the Chautauqua festival, which opens in Bridgetown, August 29th. See adv. in another column.

DIGBY BOYS WON FROM YARMOUTH

Junior Teams Played An Interesting Game Of Ball.

Yarmouth, August 9—A good game of baseball was played here this evening between the Juniors of Digby and the Academy team of this town. There was a good attendance, particularly of the younger set and the rooting for the home team was loyal. Digby went to bat first, and in the first inning scored one run, in the second they raised their tally by three more, but for the next two Yarmouth held them at a blank. In the fifth they made four more runs, and in the sixth they enhanced their lead by two, with one in each of the eighth and ninth.

The visitors were a much heavier team than the home aggregation and for the first six innings they were held at a blank while the visitors rolled up run after run, and it appeared that the Academy boys would go down with a blank. In the seventh, they rallied slightly and succeeded in getting two runs safe over the plate. In the ninth they made a great stand rally, but too late to win, and for a time had the visitors completely in the air, while the grand merrory go round was in full swing. Before the last man went down in that inning the Yarmouth boys increased their tally by six runs, the score at the close being as follows:

Yarmouth 0 0 0 0 2 0 6 — 8
Digby 1 3 0 4 2 0 1 — 12

The batteries were, Digby—Dakin and Maise; Yarmouth, Moseley, Corning and Crosby.

Tern schooner Ononette, Captain Longmire, arrived at Hillsboro, N.B. on Monday to load plaster for New York.

MANY HAPPY AUGUST EVENTS

Marriages of Particular Interest to Our Readers in Annapolis and Digby Counties

STEADMAN-COSSABOOM

The Baptist Church in Smith's Cove was the scene of a beautiful wedding on Wednesday last, when Miss Nellie Dyer Cossaboom, a daughter of Mr. and Mrs. Wm. M. Cossaboom, became the bride of Joseph Edward Steadman, son of Mr. and Mrs. Allan Steadman, of Young's Cove.

The pretty church on the hill had been most artistically decorated by the girl friends of Miss Cossaboom and was a perfect fitting for the lovely bride, who looked regal in her gown of white satin.

Her veil was of tulle held in place by a coronet of point-duches lace and orange blossoms and carried a shower bouquet of white sweet peas.

The bride was attended by her sister, Mrs. Alistair Cameron MacIntyre, as matron of honor and Miss Florence M. Cossaboom as bridesmaid.

Mrs. MacIntyre looked very chic in a French frock of pink and yellow rainbow taffeta; with this she wore a large black tulle hat trimmed with a garland of roses. Miss Florence Cossaboom looked very dainty in a gown of peach crepe de chene and black hat. Both carried bouquets of white sweet peas.

The bride entered the church on the arm of her father, and walked to the altar to the strains of the wedding march, played in a most finished manner by Miss Frances J. Austin, whose sweet music entertained the guests while they waited for the bride to appear.

Ralph E. Cossitt and Cecil Raymond acted as ushers and attended to seating the guests who filled the church to overflowing.

George Opodyke attended the groom as best man.

The ceremony was performed by the Rev. A. M. McNinch, the double ring service being used.

After the wedding the guests walked over the fields to the Cossaboom home, to congratulate the happy pair, and then were given an opportunity to see the many beautiful gowns worn by the ladies present.

Mrs. Cossaboom's gown was dark blue georgette embroidered in bronze beads; with this she wore a black lace hat. Mrs. Ralph Shepard, another sister of the bride, looked entrancing in a lavender organdy with a hat to match.

Space is too limited to describe the many beautiful costumes worn by the fair guests from many parts of Canada and the United States. The wedding supper was served in the Harbor View House and over two hundred sat down to a delicious repast which had been prepared by the excellent chef of that house. The bride's table was decorated with white snap-dragon and candytuft arranged in a large wreath around the three tier bride-cake. The guest tables were decorated with sweet peas and the dining-room presented a beautiful and artistic picture. The happy pair left by motor for a trip through the province. On their return they will reside in Bear River where Mr. Steadman is principal of the school.

The bride's travelling costume was sand color tulle with the bride's self tones; with this she wore a toque of sand and blue. The feathers, which were many and beautiful. Among them were exquisite sets of china, glass and silver, all attesting to the popularity of the bride. She received many substantial checks, one being a present from the groom.

PARKER-STEEVES
A wedding of much interest was solemnized at the home of Rev. O. E. and Mrs. Steeves, Clementsvale, on Wednesday morning at 10 o'clock, when Hazel B. Steeves, eldest daughter of the officiating clergyman, became the bride of Oswald Waldo Parker, of Wakefield, (Mass.) The spacious drawing room had been tastefully decorated for the occasion by girl friends. The bridal party stood beneath an arch of green and white. The bride entered the drawing room on the arm of her father, and was girlishly lovely in an embroidered suit of blue garbardine with hat to match. She wore a dia-

mond lavalier, the gift of the groom, and carried a shower bouquet of pink roses and streamers of narrow white ribbon fastened in tiny lovers' knots. She was attended by her sister, Miss Helen Steeves, gowned in peach georgette over taffeta with black picture hat, and carried a bouquet of white roses. The bridegroom was supported by his brother, Harry Parker, Middleton. The wedding march was played by Miss Georgie Balcom, graduate from Acadia in piano with the class '15. The double ring ceremony was impressively and appropriately performed by the bride's father. At the conclusion of the ceremony Miss Georgie Balcom sang very sweetly. Following congratulations, a buffet luncheon was served. Amid a shower of confetti and farewells, the happy couple departed by automobile for Annapolis Royal en route to Halifax, Quebec, Montreal, and New York. Later they will return to their future home in Melrose, (Mass.) Many gifts were received, including chest of silver, cut glass, linen, and substantial cheques. Among out of town guests were: Mr. and Mrs. Ira D. Parker, Mrs. Perley Ward, and Mr. Harry Parker, Middleton; Mr. and Mrs. Fred Warner, Plympton; Mrs. (Capt.) Leon Everett, New York; Mrs. Vernon Marshall, Boston; Mrs. G. Clifford Smith, Ottawa; Mr. C. B. Manzer, Commerce member of Class '16 Acadia College and now is a Public Accountant in Boston, (Mass.) The bride is a graduate of Acadia College, class '16. Mr. and Mrs. Parker carry with them the good wishes of their many home friends.

POTTER-HICKS
The Methodist Church, Clements- port, was the scene of a pretty wedding on Wednesday, Aug. 10th, at 2 p.m., when Lillian Ruth, youngest daughter of Herbert Hicks, became the bride of Howard Gordon Potter. The church was decorated by the girl friends of the bride, with golden glow and ferns, the bridal party standing under a wedding bell of water lilies. Ribbons were suspended from the bell and held by the ushers, who Katherine Parker and Dolly Powers, members of Miss Hicks' Sunday School class. The bride was attired in white satin with silk lace trimmings and wore the conventional bridal veil held in place by a band of pearls. The groom was over-seated with the 85th battalion. The wedding march was played by Miss Mable Ingham, of Somerville, (Mass.), and the ceremony was performed by Rev. W. H. Langille, of Bridgetown. As the party left the altar the ushers drew the ribbons and the bridal party were showered with confetti. After refreshments were served at the home of the bride's father the happy couple dressed in khaki suits, he spent camp at Milford. Among the out of town guests, were the following: Mrs. A. M. Richardson, New Hampshire; Mrs. H. Lanbinger, Somerville, Mass.; Mrs. J. Lignett, Chicago, Ill.; Miss Coggins, Berwick; Mrs. Rupert Peters, Westport; Miss Ingham, Somerville, Mass.; Mrs. J. Harry Hicks, Rev. and Mrs. W. H. Langille, Mr. and Mrs. Ralph Berry, Bridgetown; Mrs. T. Bateman, Mrs. G. Wells, Mrs. G. Saunders, Mrs. G. Rice, Mrs. E. Wentzell and Mrs. D. Weir, all of Annapolis.

ILLISLEY-JACKSON
An event of social interest took place in the Clarence Church on Wednesday 10th, at 9.30 a.m., when Miss Edith Gertrude, daughter of Mr. and Mrs. Avard Jackson, was united in marriage to Mr. Emmerson A. Illisley, of Lakeville, Kings Co., N.S. While the wedding march was being played by Mrs. V. B. Messenger, the bride entered the church accompanied by her father, where she took her place beside the groom, under an arch of Hemlock and Queen Anne lace. Rev. A. H. Whitman, of Lawrencetown, performed the impressive ceremony, assisted by Rev. I. A. Corbett, of Canso. The bride wore a navy blue travelling suit and carried a bouquet of bridal roses. The ushers were Messrs. Clyde Wilson, Gordon and Earle Banks, and Harold Marshall, all cousins of the bride. Immediately following the ceremony the wedding party returned to the bride's home, where a wedding breakfast was served, after which the happy couple motored to Paradise, en route to Yarmouth and other points of interest. On their return they will reside at Lakeville, where

ODDFELLOWS' GRAND LODGE

Over 1200 Attended the Session Held in Halifax Last Week.

Over 1200 Odd Fellows, Rebekahs and their friends who attended the Grand Encampment, Grand Lodge and Rebekah Assembly in Halifax Tuesday, Wednesday and Thursday, have left for their homes, the session having ended last Thursday evening, when a band concert, attended by about 5,000 people, was held in their honor at the Public Gardens. It was announced that nearly 1250 had registered during the three days, including about 400 Odd Fellows and their friends, who came in on the excursion from Dominion Atlantic points.

Truro won out in the fight for next year's meeting, although several other places put up attractive offers. The Grand Lodge meeting takes place the second Wednesday in August of each year, the Grand Encampment and the Rebekah Assembly going to the same place and at the same time.

The committee which has had in hand the matter of establishing a home for Odd Fellows in the Maritime Provinces, the chairman of which is W. Stetson Rogers, of Halifax, was asked, after a brief discussion on the point, to consider it during the ensuing year, and report to the lodges by June 1st next, so that some action may be taken next year. Meanwhile all propositions will be investigated fully. This action was taken largely on the advice of Grand Sire Joseph Oliver, of Toronto, who urged the Grand Lodge to proceed carefully, and told of the difficulties met with in Ontario when the first Odd Fellows' home was built in that province.

In all, \$55,000 has now been subscribed for this home, \$54,000 by the Odd Fellows and \$1,000 by the Rebekahs. Included in the subscriptions was \$1,000 given by John A. Craig, of Yarmouth, past grand master and this year elected Grand Representative. Mr. Craig had promised to give \$1,000 if the total fund reached \$50,000 or over. The new officers are:

Grand Master—Charles L. Wood, Windsor.
Deputy Grand Master—R. E. MacLeod, Inverness.
Grand Warden—W. A. MacKay, Truro.
Grand Secretary—J. J. MacKinnon, Charlottetown.
Grand Treasurer—J. M. Donovan, Halifax.
Grand Representative—John A. Craig, Yarmouth.
Grand Chaplain—Rev. G. W. Whitman, Granville Ferry.
Grand Herald—Murdoch M. MacKenzie, Pictou.
Grand Conductor—George Grimes, St. John's, Nfld.
Grand Marshal—A. E. Jener, St. John.
Grand Guardian—Thomas W. Baker, Woodstock.

The officers were installed by the Grand Sire, assisted by Past Grand Master D. G. Whidden, of Antigonish. The Grand Sire, for the first time in the history of the Maritime jurisdiction, was in the chair at Thursday afternoon's session. In the morning W. T. Hamilton, of Fort William, Grand Master of Ontario, was in the chair.

One of the most pleasing functions of the whole meeting took place, when J. H. Balcom, of Halifax, was presented by the Grand Sire, for the Grand Lodge, with a beautiful silver service, on his retirement from the service of Grand Treasurer, which he had occupied for 27 years.

A resolution was passed appreciating the action of the Ancient Order of Hibernians, for advancing the date of their convention one week, so as to allow the Odd Fellows to have this week in Halifax and facilitate the accommodation of delegates, which was in the hands of the housing committee, under the chairmanship of F. Scriven.

At the meeting of the Rebekah Assembly Mrs. Fred E. Bath, of Bridgetown, was installed Grand Conductor and Mrs. J. W. Peters of Bridgetown, assisted in the installation of the officers.

AN IMPORTANT CRICKET EVENT

Stellarton, Supposed to be the Best in the Province, Plays at Bridgetown To-morrow

A despatch received here yesterday morning announces that Stellarton's cricket eleven, supposed to be the best team in the province, will play Bridgetown at Bridgetown to-morrow (Thursday), August 18th. This game should attract the greatest attention of any event which has been booked for Bridgetown this season. The attendance will probably be a record breaker.

QUEBEC GIRL SWIMS ACROSS ST. LAWRENCE
Quebec, Aug. 9—Miss Frances C. Caisley, swimming instructor of the Y.M.C.A., successfully accomplished the feat of swimming across the St. Lawrence River to-day between the cliffs of Quebec and Levis as well as from the riverside. The young lady has the honor of being the first to attempt the cross-river swim which was about one mile distant, but which had to be fought all the way owing to a very powerful current.

The distance was crossed in 36½ minutes, Miss Caisley finishing almost as fresh as when she started. She used the breast stroke the entire distance.

PROVINCIAL GOVERNMENT APPOINTMENT
To be a Commissioner under Section 1 of Chapter 35 of the Revised Statutes of Nova Scotia, 1900.—Ruth R. Fowler, of Bridgetown, in the County of Annapolis.

POINTED PARAGRAPHS

"The druggless healer is one of the best things that has come into the life of the present."—Chas. Mayo, M. D., Rochester, Minn.

"If I were a patient in a predicament, I certainly would want the mode of treatment that offered any prospect of relief or recovery.

"What a patient wants is results. If the medical doctor cannot give them to him, although he learnedly tell him what is the matter with him and the remedy, it is of little use. The irregular can, just so long those methods of treatments are going to have followers, and rightly, too. When people we can do no good are at last relieved of suffering at the hands of irregulars, no one can blame them for adopting them, and to my notion any law that would prevent the sufferer from being permitted to receive such relief would be pernicious and certainly not for the good of humanity."

—Richard Cabot, Chief Medical Staff, Massachusetts General Hospital.

"If I were confined wholly to one branch of therapeutics, I would choose Chiropractic unhesitatingly. I hesitate to state the number of women I have helped to health and the evasion of the surgeon's knife thru Chiropractic adjustments alone." R. C. Ellsworth, M. D., Astoria, Oregon.
