Examination for Certificate in Assaying.

BUREAU OF MINES,
Victoria, B. C.,
April 8th, 1896.

ON HAVING LEARNED that many
who desire to obtain the above Cer-
tificate do not feel sufficiently prepared for
the examination it was proposed to hold
here during the last of this month, the
Hon. the Minister of Mines has decided to
postpone said examination until the au-
tumn, when it may be held in two or three
places in the Province for the better con-
venience of the candidates: due notice to
be given of the time, places, and examiners
appointed by the Minister.

An excellent book on assaying, embrac-
ing most of the best and latest methods for
all the metals required for this exami-
nation, Furman's "Manual of Practical As-
sayng," \$3.00, John Wiley & Sons, New
York, is strongly recommended.

WILLIAM A. CARLYLE,
Provincial Mineralogist.
