

IMPORTANT TO BOTANISTS.

To the Friends of Botanical Science;

I have published a Catalogue or Check-List of the Phanogamous and Vascular Cryptogamous Plants of North America, containing nearly 10,000 species. It is the most complete list ever published, so far as I know, of the plants of this country. It will be found of the utmost utility as an auxiliary to the successful arrangement of an herbarium and invaluable for making exchanges. The catalogue contains 112 pages. Price \$1.00, or two copies for \$1.75. Send money by postal note or registered letter.

Address, DR. J. H. OYSTER,
Paola, Kansas.

P. S. Desire to exchange for herbarium specimens from all parts of the country.

A HOME DRUGGIST TESTIFIES.

Popularity at home is not always the best test of merit, but we point proudly to the fact that no other medicine has won for itself such universal approbation in its own city, state, and country, and among all people, as

Ayer's Sarsaparilla.

The following letter from one of our best-known Massachusetts Druggists should be of interest to every sufferer:—

RHEUMATISM. "Eight years ago I had an attack of Rheumatism, so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPARILLA, by the use of two bottles of which I was completely cured, have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the world."
E. F. HARRIS,
Liver St., Buckland, Mass., May 13, 1882.

SALT RHEUM. GEORGE ANDREWS, overseer in the Lowell Carpet Corporation, was for over twenty years before his removal to Lowell afflicted with Salt Rheum in its worst form. Its ulcerations actually covered more than half the surface of his body and limbs. He was entirely cured by AYER'S SARSAPARILLA. See certificate in Ayer's Almanac for 1882.

FROM THE PRESIDENT OF BAYLOR UNIVERSITY.

"Independence, Texas, Sept. 26, 1882.

Gentlemen:

Ayer's Hair Vigor

Has been used in my household for three reasons:—

- 1st. To prevent falling out of the hair.
- 2d. To prevent too rapid change of color.
- 3d. As a dressing.

It has given entire satisfaction in every instance. Yours respectfully,

WM. CAREY CRANE."

AYER'S HAIR VIGOR is entirely free from uncleanly, dangerous, or injurious substances. It prevents the hair from turning gray, restores gray hair to its original color, prevents baldness, preserves the hair and promotes its growth, cures dandruff and all diseases of the hair and scalp, and is, at the same time, a very superior and desirable dressing.
