THE SECRET OF SUCCESS

In Business Life is to have a good training in Business Principles

THE
BRITISH
AMERICAN
Business College

Corner Yonge and McGill Streets, Toronto, Ont.

GIVES THAT TRAINING. GRADUATES ARE ALWAYS SUCCESSFUL

We teach Book-keeping, Commercial Arithmetic, Rapid Calculation, Commercial Law, Correspondence, Penmanship, Spelling, Gregg Shorthand, Touch Typewriting, etc.

Our teachers are all experts in their various subjects.—They are "WORKERS," and take a personal interest in the students.

We place hundreds of young people in good positions every year. No other Canadian college can produce such a list of names of successful business men who were former students.

STUDENTS MAY ENTER AT ANY TIME.
