

The MAGAZINE that has been published by the Executive Board has met with good success in this locality, and is eagerly looked for by those who have had the pleasure of perusing its interesting pages. It becomes our painful duty to record the death of two of our old members—Bro. Elijah Chappell and Bro. Benjamin Terry. Bro. Chappell was a consistent member for thirty-five years and our loss is sadly felt by the church. Bro. Terry was a member for forty-one years and will be greatly missed as he was always ready to give counsel to his brethren and help them on the way of life. Pray for us that prosperity may attend us through the coming year.

KESWICK—Since our last Conference we have had no additions to membership, though some have been brought to Christ and many of the members have been revived through the preaching of the Word of God, by our faithful pastor. We have to report the death of two of our members—Sister Crittenden and Bro. Willoughby. The latter was a very earnest, active worker in the cause of Christ and loyal to the church. We shall miss him very much. We have had the labors of Elder Shoults and his earnest bible truths have been well received, and appreciated, and much good has been accomplished through his preaching. We are very sorry to part with him. The universal prayer of the church will go with him to his new field of labor. We have engaged the services of Bro. Chidley for the coming year. Our prayer is that you may have the blessing of God and a profitable Conference.

LITTLE BRITAIN—We are very thankful to our Heavenly Father that we are again able to report ourselves to your honorable body. Our worthy pastor, A. N. Henry, has been faithful in preaching the Word and scattering the seeds of truth, especially that which unveils the beauty of Christ and gives a desire to commune with God—lifting us to a higher plan of thought and living—"a life hid with Christ in God." We are pleased to say that our dear aged Sisters Whitesides and Parkinson are still with us. What beautiful lights they are, guiding us on to the Eternal Shore. Our prayer and fellowship meetings have been regularly kept up. Three of our members have been called away to their rest. We feel certain that we have grown in grace and in the knowledge of the truth as it is in Christ.

MIXTO—We are glad after the lapse of five years that we are able to report ourselves to your honorable body as a church. We are very thankful to our Heavenly Father that we are again in a good working condition. Since last Fall we have enjoyed the faithful labors of our worthy pastor, Elder Geo. Perkins, who has labored hard and to good acceptance. We have a membership of twenty-nine at present and we trust that others are coming along to unite with us. Some fifteen have followed their loving Saviour in the ordinance of baptism and there are several more after our pastor returns from Conference. We also have a Sabbath School organized with sixty-eight scholars and in
