# CAMPBELL'S TONIC ELIXIR

This agreeable yet potent preparation is especially adapted for the relief and cure of that class of disorders attendant upon a low or reduced state of the system, and usually accompanied by Pallor, Weakness and Palpitation of the Heart. Prompt results will follow its use in cases of Sudden Exhaustion arising from Loss of Blood, Acute or Chronic Diseases, and in the weakness that invariably accompanies the recovery from Wasting Fevers. No remedy will give more speedy relief in Dyspepsia or Indigestion, its action on the stomach being that of a gentle and harmless tonic, exciting the organs of digestion to action, and thus affording immediate and permanent relief. The carminative properties of the different aromatics which the Elixir contains render it useful in Flatulent Dyspepsia. It is a valuable remedy for Atonic Dyspepsia, which is apt to occur in persons of a gouty character.

For impoverished Mood, Loss of Appetite, Dependancy, and in all cases where an effective and certain stimulant is required, the Elixir will be found invaluable.

In Fevers of a Malarial Type, and the various evil results following exposure to the cold or wet weather, it will prove a valuable restorative, as the combination of Cinchona Calisaya and Serpentaria are universally recognized as specifics for the above-named disorders.

Sold by all Dealers in Family Medicines.  
Price, \$1 per Bottle, or Six Bottles for \$5.

## Scientific and Useful.

GINGERBREAD made with oatmeal instead of flour is a very useful aperient for children.

To stop bleeding at the nose place a small roll of paper or muslin above the front teeth, under the upper lip, and press hard on the same.

A CURE FOR DRUNKENNESS.—Opium, morphine, chloral, tobacco and kindred habits. The medicine may be given in tea or coffee without the knowledge of the person taking it, if so desired. Send 6c in stamps for book and testimonials from those who have been cured. Address M. V. Lubon, 47 Wellington Street East, Toronto, Ont.

SCRAPED potatoes applied to a burn are efficacious in relieving the pain and reducing inflammation. As fast as the scrapings grow warm, take them off and apply freshly scraped potato.

A HEAVY LOAD.—“When I ate, my food was like a lump of lead in my stomach. I took Burdock Blood Bitters. The more I took, the more it helped me. I am like a new man now,” says Ezra Babcock, Eloyne P. O., Township Barrie, Ont.

To knit well, the needles must be held tightly in the fingers, rather close to the points, and there should be very little movement of the hands for knitting easily and rapidly.

A PIECE of embroidered work that is to hang or be placed in a dark corner may show bright colours and strong contrasts, but one to be placed in a full light should be more quietly tinted.

WINTER DISEASES.—The mortality from what are called winter diseases is not easily estimated. Coughs, colds, bronchitis, sore throats, pneumonia and consumption, make up fully one-half of the death rate. It is not all due to the carelessness of the people or the severity of the climate; a chill, an exposure, a cough or cold should not produce these sad results, only when they are neglected or badly treated. The worst treatment is “letting them alone;” the next worse is drugging or dosing with inefficient drugs and mixtures. The great want is the particular Specific which will allay the fever, the congestion and the inflammation of the thin membrane, at first involved, and so prevent the extension of the disease to the substance of the lung, and thus a cure takes place in a natural and harmless way. For this purpose HUMPHEYS' HOMEOPATHIC SPECIFIC Nos. ONE and SEVEN for fever and inflammation, for coughs and colds, are sovereign; curing promptly, mildly, safely and effectually, as hundreds of thousands testify. They have been in use for many years, and have so universally met the expectations of the people that we are almost “carrying coals to Newcastle” to thus speak of them.—Exchange.

A SIMPLE home remedy for croup is alum and sugar. The way to use it is to take a knife or a grater, and shave off in small particles about a teaspoonful of alum; mix this with twice its amount of sugar to make it palatable, and administer it as quickly as possible. Almost instantaneous relief will follow.

## “IS IT LOST FOREVER”

—the youthful bloom, the freshness of health, the buoyancy of spirits, and all that goes to give pleasure and contentment to a heart made happy by health? No; not lost forever. There is a hope for all. For those whose lives have been a burden and for those who are now grovelling in the very sloughs of despondency. Dr. Pierce's “Favourite Prescription” will cure all chronic diseases peculiar to females. It will build up the system, and restore health, strength and beauty. Try it and be convinced. Send 10 cents in stamps for large illustrated Treatise on Diseases Peculiar to Women. Address, World's Dispensary Medical Association, Buffalo, N. Y.

EARACHE is usually caused by a sudden cold. Steam the head over hot herbs, bathe the feet in hot water, and put into the ear cotton-wool dipped in camphor and sweet oil. This treatment is often excellent for faceache and toothache. The latter is frequently entirely relieved by placing the cotton soaked with camphor in the ear on the side where the painful tooth is. It is a good plan also to tie a kerchief over the ear, for earache, or toothache or faceache.

Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES, is prescribed by the Medical Profession because it is not a secret remedy, but a scientifically prepared preparation of two most valuable specifics, that they find of unequalled value for their Consumptive and Emaciated patients. Take no other.
