carved in Mesopotamia in the year 605

time of Nebuchadnezzar II. and is the ex-

"Great is Acetocura."

185 Madison street,
Chicago, Aug. 17, 1894.

Gentlemen—One day last month I called
into the office of your agent, Mr. S. W.
Hall, on other business, and received the
gentleman's condolence upon my wretched
appearance. As a matter of fact, I was a
sick man—had been receiving treatment
from two different physicians without the
slightest benefit. I certainly was discour-
aged, but afraid to let go. I had not had a
decent night's rest for most ten days, no ap-
petite, no ambition, "ache" all over, but
bowels were in good order—the fact is,
neither the physicians nor I knew just what
the trouble was. Mr. Hall spoke of Aceto-
cura. I confess I would have paid little
attention to it but for my precarious con-
dition. He insisted on giving me half a
bottle to try, and refused to accept any pay-
ment for it. I read the pamphlet and had
my mother rub me that evening. Failing
to produce the flush within 15 minutes, I
became thoroughly frightened—the flesh
along the spine seemed to be dead—but
persisting in it produced the required result
in just 45 minutes. That night was the
first peaceful one in ten, and on the morrow
my spine was covered with millions of small
pustules. By night I felt a considerable
improvement. Owing to soreness the ap-
plication was omitted, but again made the
third night. The following day showed a
wonderful change in me. I felt like a new
man. Since then I have chased rheumatic
pains several times, with the greatest ease.
From being sceptic, I cannot help but say,
"Great is Acetocura." It is truly wonder-
ful, and I am most grateful to Mr. Hall for
his action.

Respectfully yours,
P. O. BAUER.
