

MONTREAL MINING EXCHANGE.

**PAYNE ACTIVE — VIRTUE QUIETER—
GOOD NEWS FROM THE DECCA.**

Montreal, Nov. 29
Business assumed its usual proportions this morning, trading being especially active in Payne, although in Republic, Virtue and Montreal-London sales were fairly active.

No less than 7000 shares of Payne, were dealt in. At the start the stock suffered a reaction from yesterday's prices, opening at 113½, after having closed yesterday at 114½, but during the trading the stock recovered and closed strong at 114½ bid.

Slocan Sovereign looks cheap enough at 33, where it sold this forenoon for a thousand share lot.

Rathmullen and Montreal Gold Fields both changed hands at 8. Noble Five also sold at 17½.

Virtue was not so active and was inclined to dullness, 500 shares sold for 52, and during the latter part of the session 500 sold at 51, the closing quotations being 50 and 52.

Republic sold at 116, this is the first sale for several days.

The consolidation of the Jim Blaine with the Republic should be of advantage to both properties. It is said that the Jim Blaine ground can be operated through the tunnels of the Republic, thus securing economic advantages, and saving the cost of sinking shafts.

MORNING SALES

Republic—250, 115½. 500, 116 100, 115
