WE CHALLENGE THE WORLD

to show an Electric Belt where the current is under the control of the patient as completely as this. We can use the same belt on an infant that we would on a giant by simply reducing the number of colls. Ordinary belts are not so. Other belts have been in the market for five or ten years longer, but to day there are more Owen Bolts manufactured and sold than all other makes combined. The people want the best.

Extracts From Testimoniais.

"Your Electric Belt cured a violent attack of Sciatic Rheumatism of several months' standing, in eight days."—W. Dixon. m., Grand Valley, Ont.
"SAVED MY LIFE when I had Museular Rheumatism."—Mrs. Carnoll, West Market

Rhoumatism."—Mrs. Certon,
Street.
"Am much pleased with belt; it has done
me a great deal of good already."—J. Nerinager,
Galt. Ont.
"Have been a sufferer for years from Rervous Headaches and Reuraigia. After trying
one of your belts am more than salassed with
it. Can knock out a headache now in after
minutes that used to keep me in bed for
days."—Thos. Gales, Grawford St., Toronto.

BEWARE OF IMITATIONS.

Our attention having been attracted to base imitations of "The Gwen Electric Belt," we desire to warn the public against purchasing worthless productions put upon the market by unprincipled men who, calling themsolves electricians, prey upon the unsuspecting by offering worthless imitations of the Ginuine Owen Electric Belt that has stood the test of years and has a confinential repairation. Our Trade Mark is the potentic of Dr. A. Owen, embossed in gold upon every Belt and Appliance manufactured by The Owen Electric Belt and Appliance Co. None genuine without it.
