

Poetry.

HAVE I DONE WHAT I COULD.

I CANNOT draw the warrior's sword,
I would not if I could—
I may not give the thunder word
To drench the field with blood;
But I may act a warrior's part,
Within that hsted field—the heart.

My paths lead not through foreign lands,
O'er mountain, waste or lea;
I wander not with pilgrim bands:
Nor care the world to see,
There may be genius of art in Rome,
But I have choicer gems at home.

I cannot plead with fervid tongue,
Nor strike the minstrel's lyre,
Or blend its magic tones with song,
To set the soul on fire;
But I may breathe a still small voice,
To make some aching heart rejoice.

'Tis not for me to paint the scene,
The artist's brush portrays—
The laughing bill, the meadow green,
The sun's cloud-softened rays,
But, surely, I a sketch may paint
Of scenes to glad you lonely saint.

The sculptor's chisel is not mine,
Nor mine to mould the clay;
Or make the Parian marble shine
As with promethean ray:
But is there no rude shapeless heart
On which to try the sculptor's art?

I am not skil'd to heal disease,
To set the fractured limb;
I cannot strait the crippled knees,
Or clear the eye-ball dim;
But I may ply that art divine,
The art to pour the "oil and wine."

I have not wealth, nor power, nor skill,
To broadcast all around;
The world's wide field I may not till,
Nor sow its fallow ground;
But little spots are here and there,
Which I may weed of grief or care.

The man of learning and of parts
Soars far above my path;
I cannot cope with stately hearts;
Who scorn my ember hearth,
But mine while in this dreary wild
The lot to bless the poor man's child.

LANGLEY'S ANTIBILIOUS APERIENT PILLS. The great popularity acquired by these Pills during the seven years they have been offered for sale in this Province is a convincing proof of their value, as no undue means of increasing their sale have been resorted to by puffing advertisements—no certificate published respecting them. These Pills are confidently recommended for Bilious Complaints or morbid action of the Liver, Dyspepsia, Costiveness, Headache, want of Appetite, Giddiness, and the numerous symptoms indicative of derangement of the Digestive organs. Also, as a general Family Aperient. They do not contain Calomel or any mineral preparation, and are so gentle (yet effectual) in their operation that they may be taken by persons of both sexes, at any time with perfect safety. THE RENOWNED REMEDY!
HOLLOWAY'S OINTMENT.

A MOST ASTONISHING CURE OF SCROFULOUS ULCERS.—A CASE CERTIFIED BY THE MAYOR OF BOSTON.

Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To Professor HOLLOWAY,
Dear Sir,—Mrs. SARAH DIXON, of Liquorpond Street Boston, has this day deposed before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body; and although the first of medical advice was given her at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse. Being recommended by a friend to try your Ointment she procured a small pot, and a box of the Pills, and before that all was used, symptoms of amendment appeared. By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules as to diet, &c, she was perfectly cured, and now enjoys the best of health. I remain, Dear Sir, yours truly,
Dated August 12th, 1852. (Signed) J. NOBLE.

AN EXTRAORDINARY AND RAPID CURE OF ERYSIPELAS IN THE LEG. AFTER MEDICAL AID HAD FAILED.

Copy of a Letter from Mrs. Elizabeth Yeates, of the Post Office, Ashdown Road, near Egham, Sussex, dated Jan. 12th, 1853.

To Professor HOLLOWAY,
Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length scalded in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent amendment, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and I am happy to say the result was eminently successful, for they effected a radical cure of my leg and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighbourhood similarly afflicted, who derived equal benefit.

I am, Sir, your obliged and faithful Serv't.
(Signed) ELIZABETH YEATES.

A DREAFULLY DISEASED ANGLE CURED AFTER BEING GIVEN UP BY THE FACULTY, AT MALTA AND PORTSMOUTH HOSPITALS.

The following important communication has been forwarded to Professor Holloway for publication, by Mr. B. Dixon, Chemist, King-st., Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth, dated January 18th, 1853.

To Mr. DIXON,
Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's invaluable medicines:—Mr. JOHN WALTON, late in Her Majesty's service, in the British Fleet at Malta, had a very bad ulcerated angle, and after having been in the Malta Hospital for six months, was sent to England as an invalid to Portsmouth Hospital, where he remained an invalid four months, there, as at Malta, refusing to have the angle amputated, he was turned out incurable. He then came to Yarmouth, and was under a medical gentleman for about three months, but his angle became so much worse that all hope was lost. At this period, by my advice, he tried Holloway's Ointment and Pills, which by unremitting application, healed all the ulcers, and restored him to perfect health and strength.

I remain, Dear Sir, yours very truly,
SURPRISING CURE OF A BAD BREAST, NERVOUS DEBILITY AND GENERAL ILL HEALTH.

Copy of a Letter from Mr. T. F. Ker, Chemist, &c. Lower Moss-lan, Manchester, dated Feb. 12th, 1853.

To Professor HOLLOWAY,
Dear Sir,—I have great pleasure in forwarding to you the particulars of a very extraordinary cure of a bad breast, effected solely by the use of your celebrated Ointment and Pills. Mrs. MARTHA BELL, of Pitt street, in this Town, had been for a considerable time labouring under nervous debility, loss of appetite, and general ill health, occasioned by ulcerated wounds in the breast. She had had much experience in the use of all the known remedies for the cure of ulcers, but without any beneficial result, in fact she had nearly lost all faith and hope of a cure being effected. In this distressing and painful condition of body and mind, she was persuaded to have a recourse to your invaluable Ointment and Pills, which she immediately did, and in the course of a very short time the effect produced was most astonishing; her appetite was speedily improved, the sores and ulcers in the breast gradually healed, and the nervous excitement of her system was wholly removed. I remain, Dear Sir, yours faithfully,
(Signed) T. FOSTER KER.

The Pills should be used conjointly with the Ointment in most of the following cases:—
