

# 'WITCH HAZEL'

(Distilled Extract.)

To The Drug Trade:

This is the season to consider the quality of the product you supply your customers, we manufacture Distilled Extract of WITCH HAZEL from the Canadian Twigs and Leaves, and can supply the trade with a better product than that which is imported. The difference between the foreign Distilled Extract and that which we distill is, THAT OURS IS AN ALCOHOLIC DISTILLATION, the alcohol being put in the Still and run over through the leaves and twigs which insures it keeping perfectly pure and sweet, under all reasonable conditions. IT CONTAINS 15 per cent GRAIN ALCOHOL. The grade usually imported is an aqueous extract which quickly sours, the alcohol being only added to it by the jobbers in Canada, hence the trade do not get a FRESH DISTINCTIVE ODOR which CHARACTERIZES OUR PRODUCT.

Dr. J. P. Bond, V. S., Toronto, writes as follows :—I called at your office and procured a sample of your DISTILLED EXTRACT of WITCH HAZEL and found it so superior to what I have been getting that I shall use it in my practice. We would like you to write for sample and quotations so as to convince you our contention is correct, that we manufacture the best Dist. Extract of Witch Hazel upon the Canadian market.
