

# SPURIOUS "ACID PHOSPHATE."

OFFICE OF DR. MORRIS H. HENRY, 581 Fifth Ave., New York.

Mr. N. D. ARNOLD, Rumford Chemical Works, Providence, R. I.

Oct. 27, 1888.

*My Dear Sir:*—I am very glad indeed to see that you have issued a caution to Physicians who prescribe "Acid Phosphate." The notice is timely. Within a few months I have seen cases where spurious preparations were (unwittingly) used without benefit. My own experience in the administration of your preparation dates back to 1870. I think I was one of the first to call especial attention to their great value as a beverage at meals, to assist digestion, to avoid dyspepsia, relieve nervousness, and as an aid to induce sleep. I have had no reason to change my views. My additional years of experience have confirmed my first impression

I am, my dear sir, faithfully yours,

(Signed)

MORRIS H. HENRY.

To Mr. N. D. ARNOLD.

Nov. 8, 1888.

*My Dear Sir:*—In answer to your favor of yesterday, I have no objection to your publishing my recent letter to you, for I sincerely believe that the only way in which spurious articles can be driven from the market, is by the widest publication of endorsements of genuine preparations, from those who are privileged by education and Honest experience to speak authoritatively on therapeutic agents offered to the profession and the public.

Believe me, my dear sir, faithfully yours,  
(Signed)

MORRIS H. HENRY.

The "Genuine" has the name "Horsford's" printed on the label.
